That is to say over 1000 of our young men had gone forward to fight the battle of freedom within six months after the war started and why was Leo Carter not amongst these? There is no reason that anybody knows to prevent him. He was anmarried, he had a legal profession, he had nobody dependent on him. He should have, shown an example to men less fortunately situated while instead of that he did nothing whatever. Those who have found relief are the ople who want all sufferers to know what they gained from their experience. Mrs. B. Walters, of Savona, B.C., writes, praising Gin Pills for the immediate relief given by these splendid Pills. Mrs. Walters says:—

"I advise people who have not used Gin Pills to try them. I have been troubled for years with weak kidneys, and one box of Gin Pills cured me. I recommend them as an absolute and reliable cure."

an absolute and reliable cure."

Derangement of kidneys or bladder is so very serious that, at the first sign of pain in side or back, treatment with Gin Pills should begin. The duty of the kidneys is to cleanse the blood. If weak or inactive, uric acid and other poisons and waste are carried to the joints and muscles, causing inflammation, rheumatism, sciatica, neuralgia, lumbago, constant headaches, dizziness, floating specks before the eyes, gravel or stone in the bladder, general debility and lassitude. If you have any of these symptoms, get Gin Pills at once. Free sample on request. At druggists or dealers, 50c a box. Money refunded if not relieved.
