Forty-Three Years in the Public Service--The Evening Telegram

In the Realms of Sport.

"What are the people crowding for?" the eager stranger said. "They're going to hang a wicked man, and hang him till he's dead; the crowd are calling for his life, and each man's seeing red"—and thus the native told the cause, while the festing minutes fled.

"But why must die this wicked man?" the stranger had to ask, while the grim executioner got ready for his task. And there were those who hurried up the black cap for a mask, while others would invigorate the doomed one with a flask.

"To-day," the native son explained, "they played ball on the green; as fast a game as anyone among us yet had seen; when this vile scoundrel, full of wrath, with hatred, rage and spleen a bottle hurled with fearful force, right at the umpire's head."

"And is the umpire lying slain?" the eager stranger said. "Your vengeance certainly lights fast upon his guilty head! He slew the umpire—he must die!" "Not so," the answer sped—"he missed the umpire, and that's why we'll hang him till he's dead."

TO-NIGHT'S FOOTER.

The Saints and Highlanders are the contesting teams in this evening's match which begins at 7.30 sharp. It should be a really fast and exciting game as both will have on their strongest lineups. Mr. George Hunt will referee.

HOW THEY STAND.

	To Play	Points
Cadets	1 game	12
B.I.S.	8	8
Felidians	2	8
Guards	3	4
Highlanders	4	4
Star	4	3
C.L.B.	2	2
Saints	5	2
C.E.I.	4	0

LAST NIGHT'S GAME.

Minus their backstop the B.I.S. who were making a bold bid for the pennant, crashed last night to the lowly Wanderers, and it all happened in the last inning. O'Keefe who had the misfortune to break his thumb some days ago, was unable to play, so Duggy French donned the harness and did fairly well. O'Leary was on the mound for the Irishmen, but he seemed lost without his regular battery mate. The game was a bit late in starting with the result that the final frames were played in the twilight.

The Wanderers were certainly in great batting form, and in the third notched up 2 runs. This was duplicated by the B.I.S. in their turn at bat. They each got 3 more runs in the seventh, tying the score again. Three passed balls in the ninth started something and when the final accounts were made up it was seen that five Wanderers had romped home. In their portion of the innings the Harps failed to hit, and the game ended 9 to 4 in the Wanderers' favor. In the third innings, Harvey Thomas received one of O'Leary's incisive ones on the cheek, but fortunately it was not a direct hit, the ball having struck Harvey's shoulder first and then glanced upwards. Dr. Macpherson attended to him and found him so severely injured that he will be confined to his home for some days. Harvey's many friends will regret to hear of the accident but hope he will soon be around again.

We have to thank Mr. James Edwards for the English A.A.A. results. H. F. V. Edwards accomplished a triple achievement when he won the 100, 220 and 440 yards. Nurmi of Finland (the meet was open to all countries) won the 2 mile steeplechase. The half mile was evidently a thriller, being won by E. D. Mountain in the last stride. The time was 1 min. 55 3-5 secs. P. McPhee of the West Scotch Harriers won the mile. The hammer throw was won by C. J. Lindth of Sweden who sent the missile 173 feet, 3 1-2 inches.

We are asked to state that the entries for the St. Joseph's Regatta Wednesday afternoon will close at St. Joseph's Hall on Monday night, when the buoys will be drawn for. In the Fishermen's Race the Portugal Cove men will crew the Nellie R. The Outer Cove champions and Flat-rook have also entered, while it is likely that a mixed crew from Loxey Bay and Middle Cove will also compete. Tom Kearney is entering his famous Truck crew as East End representatives in the District Race. The West Enders will be represented by George Squires (stroke); H. Skinner, M. Walsh, S. Madden, H. Ennis and Burton. Knowlins are entering their crew in the Amateur Race.

The return cricket match between the Felidians and Shamrocks will be played to-morrow afternoon at St. George's Field.

Footwear.

Wearing shoes with high heels or narrow toes is responsible in many cases of fallen arches, corns, bunions, hammer toes, weak muscles and it is not infrequently an attributing factor in defective eyes and various nervous disturbances.

A great number of people have been killed or crippled for life thru falls due to high-heeled shoes. It should be the parent's aim to develop strong, youthful feet in their children. Put away the idea that any kind of shoes will do for the children. In childhood the feet are easily moulded and may become irreparably deformed through the parent's lack of knowledge and desire to have the child prettily shod. The public ought to demand common sense shoes which conform to the shape of the foot, and manufacturers should be obliged to supply them. One must also remember that greater standard with fewer styles means a less expensive product. If your feet bother you try the following exercise prescribed for soldiers by the U.S. Government. Stand with toes together, heels as wide apart as possible and barefooted. Raise on the toes and lower slowly on the outside of the foot. Count and increase the exercise every day until you reach a hundred. Try this a few weeks and you will be surprised at the pleasure in walking.

Care of Your Eyes.

You should neither read facing the light nor read in a strong sunlight, nor while riding in a car, nor while lying down.

In reading light should be good and fall upon the book over the left shoulder.

Hold your head up while reading and do not let your eyes get nearer than a foot from the page.

Avoid reading papers or books in which the print is small and not clear. Keep your eyes clear by bathing them well each morning. Be careful not to dry them with a soiled towel or cloth.

HEMORRHOIDS

Do not suffer another day with itching, bleeding, or protruding piles or hemorrhoids. No surgical operation required. Dr. Charles' Ointment will relieve you at once and afford lasting benefit. 60c a box. Dealers: Dr. Barnum, Bates & Co. Limited, Toronto. Sample box free.

MINARD'S LINIMENT FOR GARGLES IN COWS.

DR. LEHR,
Dentist,
329 Water St.

80 Years in Practice in Newfoundland.
BROKEN PLATES REPAIRED.

Well equipped Dental Offices can now repair plates. A broken tooth is no reason why a plate should be discarded. A new tooth, or several of them, can be vulcanized onto the old plate and make the service absolutely as good as ever. If you meet with an accident that injures your plate in any way, consult your dentist about repairs before you discard it for a new one. You can often prevent a needless expense. jac27,12,28,31
