ASSEMBLY PROCEEDINGS UNTIL
OCTOBER 17TH.

Saturday's proceedings were very short. The Speaker took the chair at 10 a.m. There were no petitions, reports or motions to be presented. The following questions on the order of business were answered:—
Mr. P. F. Moore—To ask the Minister of Public Works what amounts are outstanding in connection with the new Department of the Penitentiary, and by whom are the amounts owed.

Mr. P. J. Cashin—To ask Hon. the Minister to lay the following resolution on the Table of the House: "That tenders be called for the construction of Normal School; (a) the site of the building; (b) the construction of the building; (c) the tenders to be received from cement masons by the Horwood Lumber Co. in this building and that with the knowledge of the other competitors; (d) to lay copies of tenders on the Table of the House.

Mr. P. Cashin asked if the Minister of Marine and Fisheries, also the Minister of Public Works were making enquiries into the spending of the money in the District of Port-au-Port during the past six months. The Ministers were not present when Cashin sought the information, but he addressed the House in the hope that an investigation would be conducted.

Mr. P. F. Moore approved of the taken by Mr. Cashin as he personally knew people who received big sums of money to be used in public improvements, but so far had not expended one cent.

His Excellency the Governor, accompanied by Major Wilberforce-Bell and Capt. Goodfellow, arrived for the final closing. In the grounds of the house including the mounted force under Supt. O'Neill, were present as a band, while the C.L.B. Band was also present and played the National Anthem as His Excellency entered the grounds. After inspecting the police, His Excellency repaired to the Council Chamber and after the members of the House of Assembly had been sworn by the Minister of the Black and White, His Excellency gave his agent the following bills:—

"An Act for granting to His Majesty certain sums of money for the certain expenses of the Public Service for the Financial Year, 1922-23, respectively the 30th day of June, 1922, and the 3rd day of June, 1923, and for other purposes connected with the Public Service."

"An Act for Confirmation of an Agreement between the Government and Malcolm Joseph Mooney, a Merchant."
