Burdock BLOOD BITTERS CURED

MRS. WALTER MANTHORNE, BROOKLYN, H.S.

She says: "I suffered for three years with terrible headaches and rushing of blood to my head. I lost my appetite and ecame very thin and weak. I tried many different remedies and consulted doctors, but all in vain until I started to use Burdock Bleed Bitters. I had not taken more than two bottles when I began to feel better, my appetite improved wonderfully and i increased rapidly in weight. I took altogether four bottles and am new as well as can be, for which I ewe my thanks to Burdock Blood Bitters. I can recommend it to all these suffering as I did."
