LAY CORNER-STONE OF SUNDAY SCHOOL

Wellington Methodists Have a Pleasing Ceremony to Mark Extension of Building.

LARGE CROWDS ATTEND

Band Concert Given in Evening Draws Appreciative Audience.

Large crowds attended the services, which marked the laying of the corner-stones of the Wellington Street Methodist Sunday school building yesterday afternoon and the band concert given by the Salvation Army band in the evening. The cornerstones were laid by John McClary and William Yeates. Addresses were given by Rev. C. R. Gunne, of Christ Church, Anglican; Rev. J. H. Boyd, of Adelaide Street Baptist Church; Rev. W. R. McIntosh, of King Street Presbyterian Church; Rev. H. A. Graham, of Centennial Methodist Church, former pastor of Wellington Street Church; and William Jeffrey, superintendent of Wellington Street Sunday school. Rev. G. N. Hazen, pastor, and Mr. Jeffrey, were joint chairmen, each presiding over part of the program.

Other ministers who took part in the service were Rev. W. H. Harvey, Rev. J. M. Kevoy, Rev. L. W. Wickett, Rev. D. N. McCamus and Rev. A. McKibbin. Miss Leta Layman rendered a solo, and the Sunday school orchestra, and a chorus of the children of the Sunday school also participated in the musical part of the service.

On behalf of the trustee board of the church, James Loney presented a silver trowel to Mr. McClary, and J. T. Wallace presented one to Mr. Yeates. In one of the cornerstones were placed copies of the local newspapers, the Christian Guardian, lists of members of the trustee, quarterly and other church records, and the building committee, and in the other the names of the teachers, officers, and pupils of the Sunday school, a report of the W.M.S., a financial report of the church, a record of the proceedings of the day, Sunday school papers and various other documents. Following the laying of the cornerstones, supper was served by the Ladies Aid Society of the church.

Rev. Mr. McIntosh, speaking in the afternoon, emphasized the work of the Sunday school, and expressed the opinion that the church of today did not sufficiently recognize the great work done by the Sunday school.

Rev. Mr. Gunne dwelt upon the value and importance of religious education, and declared that religious education including Bible teaching, ought to be provided for in the public school curriculum.

DENIES ANY "FLOP" TO MAYOR'S WING

Ald. W. A. Wilson Avers That He Never Made Overtures to Graham.

Alderman W. A. Wilson writing from Halifax, N.S., enters a vigorous denial to the story that he ever made overtures to Mayor Graham to become identified with the mayor's wing of the council. Alderman Wilson intimates in his letter that he always retains his independence on all matters and that it is a reflection on him to say that he ever tried to "flop over" into the mayor's corner on any issue.
