

## NOMINATED FOR ALDERMEN

Ratepayers Display Unusual Interest in Their Candidates For Municipal Honors.

Exhibiting more than the usual interest in the election of aldermen Monday night, and the deputy returning officers, who were in the majority field, had "time" in their respective wards, no less than 25 names were on the list.

With but two exceptions all the members of the present council are urged by their friends to try for re-election. As Ald. H. Childs is in the majority field, he will not be re-elected. Ald. H. B. Ashplant has just been appointed city auditor, and his name was not submitted in Ward 4. Ward 1 are more than interested in municipal affairs, as no less than 25 names were suggested for the post of alderman.

The people of Ward 4 have furnished 16 selections, while Wards 2 and 3 submit an equal number, 16 each. How many of the 56 will be elected will be the result of the election, although it is estimated at the moment that the field will be reduced to a couple of dozen entries.

**Several Nominees Qualify.**

Several of the nominees qualified for the office of alderman Monday night. City Clerk Baker shortly after nominations closed. Ald. L. S. James, Edmund Hayden, Harry Blair, and Thomas Patterson were qualified for Ward 4, while Ald. Douglas and A. M. Judd, together with ex-Ald. William Wilson, qualified for the contest in Ward 2. Ward 3, where labor counts on its big vote, a grueling contest is anticipated. A full labor slate has been prepared for the contest, and a list of casting two members of the council who have been at large heads in the party throughout the year.

Ald. Gordon B. Drake, who has been a member of the council for several years past, is also seeking re-election. As a member of the board of aldermen, he has assisted Ald. Johnathon, chairman of that body, in a fight throughout the year for better government.

**List of Nominees.**

The list of nominees with their opposers and seconders follows:

**Ward 1.**—Ald. B. P. Brighton, by W. J. Cooper and D. A. MacKay.

**Ward 2.**—Ald. C. W. C. Wainless, by R. H. Hessel.

Druggists sell millions of packages. Advt.

## ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain—How To Treat

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach. It is not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try taking aside all digestive aids and instead get from any druggist a few ounces of Burdock's Magnesia (in powder or tablet form—never liquid or alkali) is harmless to the stomach, inexpensive to take and is the most efficient of magnesia for stomach purposes. It is used by thousands of people who find their meals with no more fear of indigestion. Advt.

## ADJOURNS ROBERTS CASE UNTIL LEGISLATURE ACTS

Montreal, Nov. 20.—Judgment was rendered today by Judge Amodee Monet in the case of John H. Roberts, editor of a weekly paper, who is before the courts charged with criminal libel. A plan was made last week by Charles Chahalan, K.C., who represents the prosecution, that Judge Monet issue an order that Roberts be confined in jail, and in the custody of the sergeant-at-arms of the Provincial Legislature in Quebec, he be brought to Montreal on a bench warrant.

In delivering judgment, Judge Monet held that as Roberts was in custody he could not issue a bench warrant and have him brought to Montreal. He held, however, that should the complainant in the case, Wilfrid Brunson, manager of the book brokerage firm of Logan & Bryan, make application to have him brought before the court in Montreal, that he felt assured that this would be done.

The case was then adjourned for two weeks in order that the bill before the Legislature calling for the imprisonment of Roberts for one year might pass its third reading. If this bill passes Judge Monet stated Roberts would be confined in jail, and in this event he would order that he be brought before him in Montreal.

## Severe Kidney Trouble

**Mrs. F. Rinehart, Campbellville, Ont., writes:**

"I had trouble with my kidneys and very frequent urination. This was followed by pains which at times were very severe. The doctor said I had inflammation of the bladder and that an operation might be necessary. To this I refused, and began using Dr. Chase's Kidney-Liver Pills. From the first few doses I felt the benefit. The pains left, urination was corrected, and I have had no recurrence of these ailments."

## TEACHER SERIOUSLY HURT WHEN STRUCK BY MOTOR

Amherstburg, Nov. 20.—Miss Gertrude Reaume, prominent Amherstburg school teacher, suffered injuries which are expected to prove fatal when she was struck by an automobile driven by Dennis Barron, Amherstburg, at the corner of Richmond and Sandwich streets shortly after 2 o'clock this afternoon.

Miss Reaume's injuries consist of a fractured skull, several broken ribs and a crushed spine. Barron is not being held, as the accident is believed to have been unavoidable.

Miss Reaume was removed to a nearby butcher store, when she was attended by Dr. Fred Park and Dr. E. C. Harris. Upon examination both physicians gave up any hope of her recovery. She was later moved to her home.

There were no eyewitnesses to the accident. Miss Reaume is said to have been dragged 30 feet by Barron's car. She is the only daughter of Mr. and Mrs. Joseph Reaume of Amherstburg.

## HELLO BROADWAY DELIGHTS AT GRAND

Pleasing Comedy Draws Succession of Laughs From Large Audience.

It, according to a certain philosopher, the value of a good laugh to the human system is one dollar, those who attended "Hello Broadway" last evening returned home several hundred dollars worth of the New York Winter comedy. Comedy and pleasing airs worthy of the New York Winter comedy. Comedy and pleasing airs worthy of the New York Winter comedy. Comedy and pleasing airs worthy of the New York Winter comedy.

Roy Ellis and Dolly Jollymore's exhibition of old-time and ultra-modern dancing received several encores. Miss Frase and Florence Pippin were also enthusiastically received in their delicious little bird ballet, "Cuckoo." The comedy of Jimmy Evans in his role of a refreshingly ignorant Irishman were so human and so well rendered that it seems a misarrangement of destiny that he is not better known in this country.

Londoners have swelled the treasury of other shows much less deserving of patronage at much larger cost. It is almost inconceivable that "Hello Broadway" can be as successful as it is at its present low price of admission. Those who attended knew that their money was well invested.

## TIGER RESENTS DOCTOR'S ADVICE

New York, Nov. 20.—Georges Clemenceau, visiting ex-premier of France, did not want his present ripe old age of 81 years prolonged by artificial means. He so told Dr. Francois Leclercq, a New York physician and old friend of the Tiger, today at the home of Charles Dana Gibson, where he is staying.

In a characteristic manner he said to Leclercq when the latter began to tell him of some discoveries of medicine for prolonging life: "You keep quiet or I'll kill you. Treat the snakes and dogs if you want to, but let human beings die in happiness."

This Tiger's attitude was somewhat changed when Albert, his valet, entered the bedroom he found the Tiger busy writing letters to France. He said the old statesman had breakfasted. This morning's breakfast varied from yesterday's French breakfast only in that he had onion soup instead of vegetable soup.

## DENIES ASSERTIONS OF PREMIER POINCARÉ

Berlin, Nov. 20.—The assertions of Premier Poincaré in the French Chamber of Deputies last week that Germany had attempted evasion of her reparations obligations, was wasteful in her administrative policies and was making efforts to conquer world markets, met with emphatic refutation in an official communication issued yesterday, in which the French premier is reminded that the payments made by Germany under the provisions of the Versailles treaty total up to date, 100,000,000 marks, of which it is declared the entente has made due acknowledgment.

The charge that Germany is carrying on a policy of reckless competition in an effort to win back her foreign trade is disposed of by a statement that for exports today are barely one-third the pre-war volume. Efforts to adjust export prices to a world market level, it is declared, failed because of the precipitate collapse in the mark.

## G. W. V. DOMINION PRESIDENT RESIGNS

Ottawa, Nov. 20.—The resignation of R. B. Maxwell, dominion president of the Great War Veterans, will take effect in a few days. Mr. Maxwell has resigned to attend to personal affairs. He was desirous of handing in his resignation some months ago, but was induced to remain at the head of affairs till the Ralston commission, investigating the G. W. V. A. charges into the operation of the pensions act had finished taking evidence, which was only accomplished Friday last. Arrangements have been made that Dr. W. D. Sharpe, of Brampton, first vice-president, will take over Mr. Maxwell's duties in a few days.

## TWO INJURED WHEN HIT BY MOTORS AT TORONTO

Toronto, Nov. 20.—Toll taken by automobiles continued today, when two persons were badly injured, one by a motor truck, the other by a motor car. Both victims are in the Western Hospital unconscious. One of the victims, a young woman, whose name is not yet known, has serious head injuries. Eleven-year-old Bella Chalmers is in the hospital with possibly a fractured skull as the result of being knocked down by a motor truck driven by Ernest Dawson, who says the girl, on reaching the middle of the road, hesitated and darted back in front of his car.

## New Beauty Came

A story that millions know

Millions of people have gained new beauty through a new teeth cleaning method. You see them everywhere. Their teeth now glisten, and they show them when they smile.

If you don't know that method, make this test.

**Combats the film**

It is film that makes teeth dingy—that viscous film you feel. It clings to teeth, enters crevices and stays. Food stains, etc., discolor it, then it forms cloudy coats. Tartar is based on film.

Film also holds food substance, which ferments and forms acids. It holds the acids in contact with the teeth to cause decay. Germs breed by millions in it. They, with tartar, are the chief cause of pyorrhea.

Thus most tooth troubles are now traced to film. Under old methods, very few escaped them. Beautiful teeth were less often seen than today.

**Old ways failed**

No ordinary tooth paste effectively combats film. So much film remained to night and day threaten serious damage.

But dental science has now found two ways to fight that film. One acts to curdle film, one to remove it, and without any harmful scouring.

Able authorities proved these methods effective. Then dentists everywhere began to advise their use.

A new-type tooth paste was created, based on modern research. The name is Pepsodent. These two great film combatants were embodied in it.

**Fights acid, too**

Pepsodent brings other much-desired effects. It multiplies the alkalinity of the saliva. That is there to neutral
