arge roll of bills and a nanosonary Drexel. Early next morning his body was found in a back street, there being several wounds on the head. Several of the inmates of the dive were arrested, and they confessed that Dowling committed the crime. Dowling escaped, and nothing had been heard of him until recently, when Judge Petcare received information that Dowling was on a coasting steamer, and would shortly arrive at Balti-more. He hurried there with requisition pepers, and discovered his man. Judge Petcare will arrive with his prisoner in the morning. At the time of the murder, Mr. Drexel offered \$10,000 reward, to which Dreweth eitzens added \$500.

he would never neglect a chance to promote the interests of agriculture. "We all hope for peace," he said, "and should the war come it would not be our fault."

TORONTO, Aug. 25.—An Ottawa dispatch to the Empire says the complete census re-truns, report of the population, will be pre-sented to the House to-morrow (Wednes-tay). The dispatch adds: "It is under-stood that the increase in the population has not been as great as was expected, though a substantial increase is shown." WATCHING EACH OTHEB.

register, owned in San Francisco, and valued at about \$22,000. H. Madison is the manand valued aging owner, and, 1 suppose, he has her in-sured."

was appointed counsel for the Ontario Bank, and as such he advised the bank to probe into the matter of the disposition of these subsidies. His persistence awakened the suspicion of the directors, and finally they decided to ignore his advice, hence the ac-tion before the committee. It is rumored that Lepine, M.P., suc-ceeda Senecal as the Superintendent of the printing bureau. printing bureau, The Privileges printing bureau.
 The Privileges and Election committee,
 The Privileges and Election committee,
 in session to-day, heard Fitzpatrick. Mc Greevy's counsel traversed the different
 charges and made out a good case under the
 circumstances, but evidently he was pretty
 well handicapped. He tried to show Mc Greevy's action was taken solely as harbor
 opmissioner, and totally irrespective of his
 position as member of parliament. Henry,
 poti in a brief to show that the department
 was not culpable in any respect.
 The opposition introduced an amendment,
 to the motion for supply, to-day, which had
 reference to the West India steamship
 subsidies. It condemmed the government for granting a subsidy to a company of

ported is that there will be no official en-quiry into the cause of the recent catas-trophe near Kakedate, by which 270 fisher-men lost their lives. The Sankichi Maru and the Tamæ Maru were rivals; they were going in the same direction; and the de-sire to near was irresistible. But they went made out a poor case, and even the Grita acknowledge Foster did not leave him a leg to stand on. The amendment was rejected

by a majority of 26.
