A BRIBERY BOMBHELL.

A STIRRING SCENE IN THE CITY
COUNCIL CHAMBER.

Ald. James Brandon Made an Affidavit
That He Was "Approached"—An In-
vestigation to Be Held Before the
City Council.

Ald. James Brandon made an affidavit
that he was "approached" by a person
who offered him \$400 to bribe the
city council to pass a resolution
authorizing the purchase of a
pump for the city. The affidavit was
made before the city council on
Friday night last.

That something important was in the
wind was easily discernible before the
council met. There was considerable
talk in the members' room, and a
spy was promised by some of the
members who were supposed to be
concerned in the coming storm.

Ald. Lawrence was the first to start
the ball rolling. Without preface or
ceremony he rose from his place in the
semicircle and announced that he had
heard various rumors about attempts to
bribe members of the council in con-
nection with the engine contract.

Ald. Brandon took up the assertion
that he had been "approached."
He spoke in a low voice, and it was
difficult to hear him. He said that
he had been approached by a person
who offered him \$400 to bribe the
city council to pass a resolution
authorizing the purchase of a
pump for the city.

Declared before me at the city of Toronto
this 16th day of June, 1884.
(Signed) A. OGDEN, notary public.

At these scenes growing the interest
increased and the gallery seemed to
be full to overflowing. Ald. Blevins
said that he had been industriously
