

THE PEASANT AND THE FOX.

A Fox one day met a Peasant and remarked that he had decided to Reform his Conduct.

"Well, I am heartily glad of it," replied the Peasant, "and I will do all I can to strengthen your good Resolutions."

Next day the Fox approached the Peasant's Cottage the man came out and Clubbed him on the head.

"Is that the way you strengthen your good Resolutions?" exclaimed Reynard in a voice of Pathos.

"The less you see of my Chickens the more apt you will be to stick to your good Resolutions," replied the Peasant as he heaved another Club.

MORAL: Don't leave your Watch and a Reformed Brawler Hanging on the same Nail.

8300 Not Called For. It seems strange that it is necessary to persuade men that you can cure their diseases by offering a premium to the man who fails to receive benefit.

Out of the Mouths of Babies. From the Chicago Herald. "Good evening, Tommy. Is your sister Carlotta at home?"

"Yes, sir; she's in the kitchen popping corn for you."

"Popping corn for me? Why, how very thoughtful! I like pop-corn very much."

"Yes, sir. She said she was going to put a pan of pop-corn under your nose, and if you didn't take the hint she'd give you the shak."

Merited Success. Is attending the Anglo-American Medical society in the introduction of their special and eminently successful method of curing catarrh, loss of voice and hearing, and all chronic diseases of the air passages.

We learn that their parlors at 39 Adelaide street east are crowded daily, and that some of our most prominent citizens have already consulted them.

He Got His Dinner. From the Chicago News. "Waiter," said the gentleman who had ordered his dinner at a fashionable restaurant sometime in the dim past, "will you send out for paper and ink and a notary and two witnesses?"

"Oh, for what, sir?"

"Oh, I just want to make a will leaving that dinner I ordered to my wife, to my heirs and assigns forever. That's all."

He hurried that man's dinner right up, and he got it within two hours from that moment.

A Safe Investment. Investing twenty-five cents for a bottle of Haygar's Peppermint Balsam, the best throat and lung balm known. Cures coughs, bronchitis, asthma and all pulmonary complaints.

A Detroit paper tells of a Minnesota Indian being found in a bath tub. We suggest that our contemporary send his information to Washington. The government pension original discoverer.

Seriously Ill. A person suffering with pain and heat over the small of the back, with a weak feeling and frequent headaches, is seriously ill and should look out for kidney disease. Burdock Blood Bitters regulate the kidneys, blood and liver, as well as the stomach and bowels.

Will those persons who mourn over the good old times which are gone, be so good as to fix the date of those times? Then we can look at the record for the evidence.

Mrs. D. Morrison, Farmham Centre, P. Q., writing about Dr. Thomas' Electric Oil, says: "George Ball used it on his only and it cured him of rheumatism with only a few applications. The balance of the bottle was used by an old gentleman for the asthma, with the best results. It acts like a charm."

Running expenses—Children. —Constitutional or scrofulous catarrh; scrofulous nose, eyes, etc., surely cured by Ayer's Sarsaparilla.

A club house—The police station. —Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. Many have tried it with best results.

An ideal person—The egotist. —These twin foes to bodily comfort, dyspepsia and biliousness, visit when war is waged against them. Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure. Its use also assures the removal of kidney and uric acid, and promotes unobstructed action of the bowels.

The purity of its ingredients is another point in its favor. As a blood purifier it has no equal. It is also a great favorite with the ladies.

A great wag—A dog's tail. —West Toronto Junction is within a few minutes of the Union station by the train of either the Ontario and Quebec and the Grand Trunk or the Northern. Here is a neighborhood has steadily risen in value and promises to advance still more rapidly. Some of the best lots in West Toronto are to be had from George Clarke, 295 Yonge street.

The opium habit should be discarded. —To lessen mortality and stop the records of disease use Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure. For all diseases arising from impure blood, such as pimples, blotches, biliousness, indigestion, etc., it has no equal. Mrs. Thomas Smith, Elm, writes: "I am using this medicine for dyspepsia; I have tried many remedies, but this is the only one that has done me any good."

A rolling mill—A rough and tumble prize-fight. —Ayer's Cherry Pectoral is the best medicine ever produced for all affections of the throat and lungs.

A conscientious milkman never wears goggles. —So rapidly does lung irritation spread and deepen, that often in a few weeks a simple cough culminates in tubercular consumption. Give heed to a cough, there is always danger in delay, get a bottle of Hinkle's Anti-Consumptive Syrup, and cure yourself. It is a medicine unsurpassed for all bronch and lung troubles. It is compounded from several herbs, each one of which stands at the head of the list as exerting a wonderful influence in curing consumption and all lung diseases.

An important suit—A man's wedding garments. —A field of corns.—Thomas Sabin of Kingston, says: "I have used Holloway's Corn Cure with the best results, having removed ten corns from my feet. It is not a half way cure or relief, but a complete extirpation, leaving the skin smooth and clear from the slightest appearance of the corns."

A Toronto friend ran a foot race and lost it; he ran again and won. He said: "I'm first at last, if I was pecked before."
