Thank-Offering

Last Sunday, Nov. 16th, in the Watford Congregational Church, the annual Thankoffering services were held at 11 a.m. Rev. R. Stevenson, the pastor, preached an appropriate sermon to an appreciative audience, talking for his text the words of Hanani, the prophet, in II. Chron. 16:9, "The eyes of the Lord run to and fro throughout the whole earth, to show Himself strong in the behalf of them whose heart is perfect toward Him." In the course of his sermon the clergyman showed how that the Almighty has been working from time immemorial on behalf of good men; how He is working at the present time, and how he will work in the future. "Men alone," says Mr. Stevenson, "were originally created in the Divine likeness and they alone, of all God's creatures, glorify Him in the highest degree by holy lives. For this purpose God has chosen us in Christ before the foundation of the world, and he has organized the of the world, and he has organized the Church with the intent that to the Church with the intent that to the principalities and powers above He may show forth His wisdom and glory. God intends good men to be His most glorious spectacle on earth and in heaven, and because of this, all nature is laid under contribution that their wants and needs might be administered to. In the beginning God knew that man would be a creature of wants. He thought on his hing God knew that man would be a creature of wants. He thought on his physical meeds, his social needs, his intellectual needs, his spiritual needs, and in order that these needs might be met and satisfied, all the world's creative ages, its geologic ages, its intellectual ages and its religious ages are at his disposal. Are these not good causes for thanksgiving to-day? David said in rapture, "How precious are Thy thoughts unto me, O Lord! If I should count them they are more in number than the sands of the sea-shore! Surely we can say the same thing to-day. Surely we can say the same thing to-day. Awful and wonderful things are happen Awful and wonderful things are happening all around us; storms on land and sea, earthquakes in Peru, insurrections in Mexico, massacres in the Balkan States, strikes in Great Britain, and people being called across the line of time into the Great Beyond on very short notice. How thankful we ought to be to God for all His innumerable mercies unto us! When we know that His "eyes are going to and fro through-

mercies unto us! When we know that His "eyes are going to and fro throughout the whole earth" on behalf of good men, we feel prompted to exclaim:—
"God is our Refuge, and our Strength, In straits a present aid;
Therefore, although the earth remove, We will not be afraid:
Though hills amidst the seas be cost."

Rev. R. Stevenson preached a short sermon from Isa. 35:2, "The Glory of Leoanon." The collections of the day amounted to exactly \$100.00. The enquiry into the death of William apleton, one of the men who lost their Stapleton, one of the men who lost their lives in the Grand Trunk Railway wreck near Wanstead on Monday morning of last week, was held in the Oddfellow's Hall, Watford, on Monday morning last before the following jury:—A. Over a dozen witnesses were examined, but Brakeman Breckell, the man who could probably have given evidence required as to the work performed by the brakemen, failed to answer the coroner's summons, and a telegram from Sarnia was produced stating that he could not was produced stating that he could not be found. After the Crown Attorney had summed up the evidence the jury returned the following verdict:—That William Stapleton came to his death on the morning of Nov. 10th, 1913, on the Grand Trunk Railway track about two miles west of Kingscourt by being crushed to death as a result of train No. 172 running into train No. 560 which 173 running into train No. 560 which was stalled there; and we are of the opinion that the cause of the accident was due to the insufficient protection of train No. 560 by her crew.
