said the drapping miser, seeing Pat's doubtful lection of these legitimate movements of the patise, "ain't you satisfied? Do you think growth and nationality of those people. "We desire for humanity's soke that peace the poor fellow, looking hard at the one may be preserved. We even hope it. A sole question of war had been laid down a year agoebetween France and England."—Lam-

Because she wents repairing.

THE PRICE OF A KISS A French girls at a store, being solicited to allow a kiss, declined except at the price of a little bag which lay on the enamored cavaller's conner, and ed except at the price of a little bag which lay on the enamored cavalier's conner, and which, as he said was filled with cents. The bargain was struck; but to the surprise of the dricinea, as to ber satisfaction, on opening the bag it was found to contain in the ening the bag it was found to contain in the ening the bag it was found to contain in the ening the bag it was found to contain in the ening the bag which and distributed among the unemployed in bospitals, for the use of the wormed, amount inspirate and distributed among the bospitals, for the use of the wormed, amount in some cases, horrising and unnatural. No doubt there is except at the price of a little with the south and west hospitals, for the use of the wormed, amount in the bargain was struck; but to the surprise of large with the said was filled with cents. Some very serious riots have occurred in hospitals, for the use of the wormed, amount ing to 428, of whom 850 were civilians, and agree in some cases, horrising and unnatural. No doubt there is except the said was filled with cents. The alliance of England is justly looked to as advisable and of the first importance. The

ARRIVAL & DEPARTURE OF THE fected at an endosmous charge. It has been equally as efficacious as treely and openly of democratic governments—if the independent states of finity were invaded—if limits or obstacles were imposed upon their internal obstacles were imposed upon their internal loo more blood has been shed transformations—if, by force of arms, their Government has been established Self-Appreciation.—An Irish laborer plung right should be disputed of forming alliances among themselves for the consolidation of an arms, the river among themselves for the consolidation of an arms accidentally drowing; the general country, the French republic would be liver herself authorised to arm for the prosaid the drapping miser seeing Pat's doubtful lection of these legitimate movements of the brings in unnumbered adhesions to the Republic. The unformity of the proceedings

Indexification." Can you tell time where are a good many of that name in these parts, my chaine is Smith." Why, I don't know his Cother pain: but he's a sour, cross and clabed sour of a fallow, and they call him Cab Smith." On a spired office.

The effects of the French Revolution are being felt throughout Europe, and more especially in Germany. At Municha rising had taken place, and Dode de la Bruuerie, has and a constitution has been extorted from the infured King at the point of the bayonet. It is positively stated that Prince Metternich has resigned office.

France must have been for such a catastrophic, strange and unexpected as it seemed.

Marshals Soult, Molitor, Sebastiani, Bugeaud, Reille, and Dode de la Bruuerie, has each in their adhesion.

It has been decided in the ministry of war, says the 'Reforme' that an army of the Metse and an army of the Rhine shall be impositively stated that Prince Metternich has resigned office.

The trade of Manchester is materially affected by the state of affairs on the continent.

as ... Why is a widow like a broken glass? the new Republic, have given general satisfaction, loons with large stripes. This was the uniform of the soldiers of the old revolutionary brailed in a contest with France,

DREADFUL RIOTS IN GLASGOW! THE MICITARY CALLED OUT!

be fresh outbreaks during the night. The military are posted in various parts, and a large body in the Royal Exchange. The shops of jewellers and gubsunti's have all turn, d by the heroism of the people of Parts.

To the French people.

A retrograde government has been over-turn, d by the heroism of the people of Parts.

The government has fled, leaving behind

The Liverpool Journal of the 11th, says:

The local commotions have every where beased. In Glasgow only lave they been griended by loss of life. The destruction of grouperty in that city is estimated, probably too high, at £40,000.

The effects of riots fall only on the poor; they generous people.

The Liverpool Journal of the 11th, says:

It fraces of blood, which will for Ever forms ALARMING STATE OF IRELAND.—

PROCLAMATION OF THE CONFEDERATES.

The Irish confederation held a meeting in government in accordance with the rights, the progress, and the will of this great and persons were present Placards posted around bore the following words:—"Courage!

Foreigness!! Fratern ty !!"

The TIMBER TRADE is gradually recovering. The consumptive demand is improving, and sales to the merchants, who all hold light stocks, are more easily effected. church bell, that is, the grease which is applied to make it work easy, and which with the metal forms a kind of verdigris; mix is the same time prepared to accept it.

FERCH CHANGERS — We say it openly, if the sales are as follows:—To day a cargo of twice a day. It is not superstigned that die the hour for the reconstruction of some optivities and day. It is not superstigned that die the hour for the reconstruction of some optivities are as follows:—To day a cargo of St. John Pine. Is inches calliper average, at takes the use of a church bell above any other, but the peculiar combination of metal employed for that purpose, produces a different was constrained or membered in the movement land, of verdigris. This remedy was long a growth that she is effecting within herself, the foot; for Red Pine and Rept a profound secret, and many cares of todain an additional force to the aggregate.

The news from Paris is of a peaceable character of arms, their Government has been established, and a REPUB.

> public. The uniformity of the proceedings in all the provincial places, great and small

What faction is it desirable to have prodominate in 1848? Satis-faction... Why is
a try weight like a thief? Because it happeles to have no scruppes. Why does a duck
put his head under water? For direr's reaof the Crown of their friendly dispositions towards
of the Crown of their friendly dispositions towards
sons. Why is a widow like a broken plass? the new Republic, have given general satisfaction.

The discovery the deficiency as to ber satisfaction, on opposite was found to contain in the place of centre, good full weight firms gentle man claimed the barg but the girl was unyearding. The cay on resort was had to the tribunal, the plantiff alleging that there was evitently a mistake, and that a simple kiss could not, by far, be apprecised at such a sum. The tribunal, however gave the case to the girl—1st, because what is given is given; and 2d, because the value of a kiss cannot be estimated.

The Women of Turkey. A writer in Blackwood, says—The lot of this portion of the following despatches contain the latest of the former of the says and the grid and the cay. The contained the barg is the continued, the plantiff and the girl—1st, because what is given is cleared of its contents, and the windows cannot be estimated.

The alliance of England is justly looked to as advisable and of the first importance. The National, formerly an opponent of all alliance, may declare that its object then was lest the arrangement should strengthen the bands of the royal family. It adds:—We are to day altimate the two declare that we will be a such an alliance with the preat English nation, in terms honourable to both countries, and with such securities as we have a right to exact. The force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries away with it the will of man, and here the force of events always carries are forced in; the force of events always carries away with it the will of man, and here the force of events always carries are fo

The Liverpool Journal of the 11th, says: it traces of blood, which will for ever forbid ALARMING STATE OF IRELAND.

(Signed) Dupont (Do.L'Eure) Lamartine, Ledra Rollin, Bedenu, Michel Gouchaux, Mago, as

Bethmont Marie, Carnot, Cavaigne, Garnier Pages Cavaigne, Garnier The municipal guard is dishanded.

The protection of the city of Paris is con-ded to the National Guard, under the orders of M. Courtais.

The unfortunate Duchess of Orleans and her two children arrived, on the 2nd inst., at Ems. in Prussia. The party accompanied by a Freuch nobleman, escaped from Paris in a one-horse vehicle, with which they reached Aix-la-Chapelle, and thence by rail and steamer to Coblentz.

in adopting the revolution of Paris, is singular, and indicates in a striking manner how lar, and indicates in a striking manner how Frederick of Prussia declares that the instant perfectly prepared the public mind throughout france must have been for such a catastrophe, will bombard and destroy the place.

Clare, and Tipperary, have been executed— On the 1st instant, Henry and Puilip Cody, and Michael Lonergan, suffered at Clonnel.

One hundred and ten hogsheads of wine, found in the cellars of Neuilly, had been removed to Peris, and distributed among the which daily reach from the south and west moved to Peris, and distributed among the

Neither the people of Paris, nor the provisional government, desire to substitute their opinion for the opinions of the citizens at large, upon the definite form of government, which the national sovereignty shall proclaim L'unite de la nation, formed benceforth of all classes of the people which compose it.

The government of the nation by itself.
Liberty, equality, and fraternity for its principles.

The people to devise and to maintain order.

Such is the democratic government which France owes to herself, and which our efforts will assure to her.

Mr. Dillon then read an add which quotes:

M. Lamartine's words respecting French sympathy with democracy, and says:

"When shall his hour have sounded! Whether in a month, in a year or never, depends, brother Irishmen, apen year.

I have are ready (pages).

I have a ready (pages).

I h ance is at hand, and a good and pitying God will not have sent us this fair opportunity in

Be prudent; when boldness risks the sale-ty of a cause, it becomes insliness. Be pru-dent, but not for courselyss. The man why now shrinks train personal risk must stand aside; he is to rether to lead nor to follow. To what purpose do we express our edmira-tion of the heroes who braved death for liberiv, if we ogreelyes, are frightened by the
