GOOD BUYING

Not only constitutes buying at right prices and terms, but also the obtaining of seasonable goods of high quality, and of a kind that will appeal to the purchasing public and sell readily. The Viols, which we list herewith, are the result of Good Buying on our part. It will be equally Good Buying on your part to take advantage of this offer, and send in your order at once, anticipating your requirements as much as possible as this class of Viols is very difficult to obtain and stocks are limited.
