T. W. NESS, Esq., Montreal.  
DEAR SIR. - We are happy to state that your  
telephones and switches are giving us good satis-  
faction. We have three sorts of switches and  
we find yours far preferable. There are now about  
forty of your telephones in operation on our line.  
Every one works well, and we intend to use no  
other.  
Yours very truly,
