Why?

There is a reason for every success. It either
fills a long-felt want, corrects a mistake, or is an
improvement on the then-considered best.

In Dress Stays two faults have long been
apparent. They would either bend out of shape
or cut through the dress.

Brush's Peerless Double Dress Stay

Is a success because it overcomes both these
faults. Made of double steels, one placed above
the other, with the ends so secured as to make
it impossible for them to cut through the dress,
it is more pliable than any other Dress Stay,
and cannot bend out of shape. Neither will it
melt apart from the heat of the body.

Made in Black, White, Drab, Blue, Pink and
Old Gold. Sizes, 6 to 10 in. Put up in
half-gross boxes or in sets of 9 steels.
