CROUND BONES! GROUND BONES!

A LENGTHENED experience in Europe and the United States has shewn this to be the most

valuable fertilizer for every crop.

During the past season THE PROPRIETOR
OF THE WELLINGTON TANNERY has totally altered his machinery for preparing this valuable manure, and is now prepared to supply Agricul-tural Societies and the public generally with

fine ground bones

of a quality far superior to any that can be imported.

PRICE-Delivered at Wellington Station-Fine Ground Rones - - \$35.00 per ton.

The machinery being now in thorough work ing order, orders will receive prompt attention and despatch.

As the supply of BONES, in this Province obtainable for grinding is yet very limited, customers are requested to send forward their orders as early as possible, in order to ensure obtaining a supply for this year's crop.
