GENTS. I have taken one bottle of Dr. Austin's Phosphatine, recommended by Dr. Balfour, of this place, and have received great benefit from it. I believe that after taking five more bottles I shall be quite free from a nervous tremor, which has troubled me since I was 16, and now I am (61) sixty-one years of age.  
Yours truly,

**Ayer's Sarsaparilla,**  
FOR PURIFYING THE BLOOD.  
  
This compound of the vegetable alternatives, Sarsaparilla, Dock, Stillingia, and Mandrake, with the Iodides of Potash and Iron, makes a most effectual cure of a series of complaints which are very prevalent and afflictive. It purifies the blood, cures the itching humors in the system, that undermine health and excite innumerable disorders. Eruptions of the skin, such as the appearance on the surface of humors, are expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action is destroyed, and whose substance they disorganize and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Erythematous Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Psoriasis, Itch, Boils, Tumors, Tetters and Salt Rheum, Scald Head, Ring worm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea arising from internal ulceration and uterine disease, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns. Prepared by

**Words of the Wise.**  
EVERY to-morrow has two handles. We can take hold of it by the handle of anxiety or the handle of faith.  
BEHIND the snowy loaf is the mill-wheel, behind the mill the wheat-field, on the wheat-field falls the sunlight, above the sun is God.—J. L. Russell.

THIS fair universe is indeed the star-domed city of God. Through every star, through every grass-blade, and most through every living soul, the glory of a present God still beams.—Carlyle.  
THE word "character" comes from a term which means to engrave upon or cut in. Character is that inner, substantial and essential quality which is wrought into the soul, and makes a man what he actually is.

To be always intending to live a new life, but never to find time to see about it—that is as if a man should put off eating and drinking and sleeping from one day and night to another, till he is starved and destroyed.  
IN self-examination, take no account of yourself by your thoughts and resolutions in the days of religion and solemnity, and examine how it is with you in the days of ordinary conversation and in the circumstances of secular employment.—Jeremy Taylor.

THERE is seldom a line of glory written upon the earth's face, but a line of suffering runs parallel with it; and they that read the lustrous syllables of the one, and stoop not to decipher the spotted and worn inscription of the other, get the least half of the lesson earth has to give.

CHRISTIANITY, in its divine service to a troubled world, does not break a twig, bruise a flower, crush an insect, or disturb a honey-bee in the garden of life. As it goes from sacrifice to duty, from teaching to burden-bearing, the echo of its angelic song is everywhere heard—"On earth peace, good-will to men."

BELIEVERS are not dependent upon circumstances. Their joy comes not from what they have, but from what they are; not from what they enjoy, but from that which has been suffered for them by their Lord. It is a singular joy then, because it often buds, blooms, and ripens in winter time, and when the fig-tree does not blossom, and there is no herd in the stall, God's Habakkuks rejoice in the salvation.—Spurgeon.

CLOUDY days are many; bright days are few; we must catch each ray of sunlight as it comes. In the east clouds gather, and as they roll they hide the distant shores from our sight. The cloud that hides our future never lifts—blessed shadow! Who would wish to see one step along the way? An unseen hand will guide us safely to the other side if we take firm hold and cast our care on Him. Better to learn than to labour; better to trust than to see.

As for the comfort we lose through unbelief, that is simply beyond our power of calculation. Who has not made himself miserable in thinking of the things that the future hides? The burdens of to-morrow crush many a sensitive soul, although the Master's words stand firm, that "the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof." Strangely enough, the habit of fretting, like other morbid habits, after a while begets a certain appetite for fretting, and we take comfort in repining and find pleasure in woe. None the less do we suffer spiritual loss by this custom, and constantly, in our homes and personal experience, furnish illustrations of the sin of unbelief.

The following references are to a matter of sufficient importance to enlist the attention of all our readers:—

**OFFICE OF THE CHIEF OF POLICE,**  
HAMILTON, ONT.  
I have much pleasure in stating, that I lately used St. Jacobs Oil in a case of very severe sprain, with marvellous effect. I had been badly hurt, and could not afford to rest too long; I therefore used the quickest means of relief, St. Jacobs Oil, which certainly worked wonders in my case. I consider it to be an invaluable remedy, and shall not hesitate to recommend it to any one whom I meet, suffering from want of a reliable remedy. I regard St. Jacobs Oil as a wonderful preparation, and shall freely suggest its use to my friends—or enemies for that matter—when I find them seeking anything for the alleviation of the terrible torture of rheumatism. I write this note voluntarily to say what I think of the Oil, and it may be used in any way to accomplish the most good.  
A. D. STEWART, Chief of Police.
