A BRIDE'S CONFESSION

"Yes, dear, I am married now, and George and I are keeping house in the loveliest flat on 4th St. Well, you, we did get married, you know, suddenly. My health, you know, had for some time been very delicate, and Dr. Heavily told mamma that he feared I would follow her, dear sister Belle, who died three years ago from a swelling disease. That I was almost crazy when mamma told me what to do for said, and I nearly cried my eyes out, but one day I overheard that hateful Nelly Parker say to her mother, 'I think that George Hlavett is just as lovely for anything, and when the girl has eyes like his, and they say she is dying of a galloping consumption, I'm going to step in to her shoes and become Mrs. George Hlavett; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and he thought that that deceitful busy might get him after all, so he drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of Dr. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 15 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say him nay, and, as you will see by my card, I am now Mrs. George Hlavett. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome. Good by; be sure not to forget."

THE DEY OF ALGIERS!

The SHAH OF PERSIA and the SULTANS OF TURKEY and JOHOC now FATTEN and FATIFY their harems exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night. The Shah found his harem in a state of disorder on his return to Persia.—N. Y. World, Oct. 12, 1889. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Phosphorus, rumors have it that the above distinguished Oriental Potentates make it a practice to WRIGH their wives regularly once a month, proceeding in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.

Allen's Lung Balsam. Coughs, Colds, Croup. Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs. ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.

DR. P. MEREDITH, of Cincinnati, says "About one year ago I took a cold, which settled on my lungs. A violent cough was the consequence, which increased with severity. I expectorated large quantities of phlegm and matter. During the last winter I became so much reduced that I was confined to my bed. The disease was attended with cold chills, and night sweats. A diarrhea in. My friends thought I was in the last stage of Consumption, and could not possibly get well. I was recommended to try Allen's Lung Balsam. The formula was shown to me, which induced me to give it a trial, and I will only add that my cough is entirely cured, and I am now able to attend to my profession as usual."
