

## Priorum Temporum Flores.

In *The Englishman*, Calcutta, Tuesday, Nov. 5, 1907, appeared the following:—

FILLION-CAMERON.—At the Church of the Holy Name, Bombay, on the 25th Oct., 1907, by the Rev. Fr. Falk, Stella Mary, daughter of the late A. D. Cameron and of Mrs. Cameron, of Buckingham, Quebec, Canada, to Stanley O. Fillion, of Calcutta (formerly of Ottawa, Canada.)

The bride and groom are well and pleasantly remembered around the University. The bride's two brothers, Herbert and Robert, both attended the University but a short time, and the remembrance of the kindly hospitality of the Cameron home in Buckingham is well recorded in the annals of the Scientific Society. The genial good-fellowship of Stanley Fillion, as well as his prowess as a wing man on many a hard fought Rugby field, is still fresh in the minds of his many friends and the supporters of the Garnet and Grey. THE REVIEW and their many friends in the University wish the young couple a long and happy voyage together down the stream of life.

It gives us much pleasure to note that two of our former students, M. Conway, '01, science, and Jas. Lonergan, '05, dental, are representatives from their schools on the board of management of the newly founded Catholic Students' Club of Toronto University.

R. Halligan, '04, and V. J. Meagher, '04, were ordained to the priesthood by His Grace Archbishop Gauthier, in the Cathedral, Kingston, on Dec. 21st.

At the Christmas ordinations in the Grand Seminary, Montreal, W. Dooner and J. Harrington received deaconships, and H. Letang a sub-deaconship.

## ATHLETICS.

The football season has come and gone, and her harvest has been reaped with honor and glory. But now the student body turn their attention to that famous game, of which Canada boasts as having the championship of the world, "Hockey." The rink is in good shape, and is well patronized on congenial afternoons. N. Bawlf has been appointed manager of the senior squad, and C. O'Neil cap-
