

Mr. L. P. Bouvier, 31 Lombard street, Toronto, manufacturer of machinery for making all kinds and sizes of business and commercial envelopes, is shipping several invoices of these machines including ten to Costa Rica, Central America, ten to Japan, and three to Montreal. Mr. Bouvier is the inventor and patentee of this machine, which is now almost universally used in Canada, United States and some other countries. In addition to building these machines, Mr. Bouvier operates one of the most extensive envelope factories in Canada.

Messrs. R. A. L. Gray & Co., Toronto, electrical contractors inform us that among other large contracts they have just closed one with the McLaughlin Carriage Co., for a 500-light plant for their new works at Oshawa, Ont.

Hourd & Co., London, Ont., has been incorporated with a capital stock of \$25,000,

to manufacture furniture, etc. The provisional directors include A. E. Hourd, F. G. Rumball and S. H. Hunt, all of London, Ont.

The Hughes, Owen Co., Montreal, has applied for incorporation with a capital stock of \$35,000, to manufacture lithographic paper, etc. The applicants include J. H. Hough, Montreal, and H. Hughes, Toronto.

The Gas Appliance Mfg. Co., Montreal, has applied for incorporation with a capital stock of \$50,000, to manufacture gas stoves, ranges, etc. The applicants include John Fee, J. S. Smith, both of Montreal.

The Imperial Steel Works, owned and operated by the Japanese government, has just placed an order for the complete equipment of the plant with Cross oil filters, with the Burt Mfg. Co., of Akron, Ohio. As the

Burt Co. were in competition with the best manufacturers of filters in Europe and other American makes, they regard it as a distinct triumph for Cross filters. The Imperial Steel Works is probably the most important plant of the kind in the Flowery Kingdom.

The Canada Cold Storage Co., Montreal, has been incorporated with a capital stock of \$1,000,000. The provisional directors include E. H. Barchard, W. F. Robinson and A. R. Holden, all of Montreal.

The Renfrew Power Co., Renfrew, Ont., has been incorporated with a capital stock of \$50,000. The provisional directors include Alex. Barnet, P. S. Stewart and W. A. MacKay, all of Renfrew, Ont.

The Council of Hespeler, Ont., will take over and operate the electric light plant of that town. It cost \$10,000 to effect the purchase.
