WEBSTER'S UNABRIDGED

In Sheep, Russia and Turkey Bindings

Latest Edition has 118,000 Words, (3000 more than any other English Dictionary.) Four Pages Colored Plates, 3000 Engravings, (nearly three times the number in any other Dicty.) also contains a Biographical Dictionary giving brief important facts concerning 9700 noted persons.

The above from page 1164, shows the value of the

Illustrated Definitions

in Webster's Unabridged Dictionary. Among the many that could be cited are the following: Beef, Boiler, Castle, Column, Eye, Horse, Molding, Phrenology, Ravelin, Ship, (pp. 1164 and 1219) Steam Engine and Timbers. These 12 pictures define 343 words and terms.

THE STANDARD.

Webster is the Standard of the U. S. Supreme Court and in the U. S. Gov't Printing Office. Recommended by State Super'ts of Schools in 36 States. Sold 30 times that of any other series. It has all along kept a leading place, and the New Edition brings it fairly up to date.—London Times, June, 1882.

No school in the Dominion, no teacher, and no reader of the language, can afford to be without this monumental work.—Canada Educator's Journal.

It has come to be recognised as the most useful existing "word-book" of the English language, all over the world.—N. Y. Tribune, 1882.
