EPPS'S COCOA.

BREAKFAST.
"By a thorough knowledge of the natural laws
which govern the operations of digestion and
nutrition, and by a careful application of the
fine properties of well selected Cocoa, Mr. Epps
has provided our breakfast tables with a deli-
cately flavoured beverage which may save us
many heavy doctors' bills. It is by the judicious
use of such articles of diet that a constitution
may be gradually built up until strong enough
to resist every tendency to disease. Hundreds
of subtle miasms are floating around us ready
to attack wherever there is a weak point. We
may escape many a fatal shaft by keeping our
selves well fortified with pure blood and a pro-
perly nourished frame."—Civil Service Gazette.
