GREATER BRITAIN AND THE ANNUAL MEETING, 1910.

Sir: The Colonial Reception Committee is particularly desirous of bringing the Annual Meeting, to be held in London in July next, to the notice of all medical practitioners residing in the Dominions beyond the seas, as affording them an unusual opportunity of visiting London both for the scientific purposes of the meeting and also for social intercourse with their fellow-practitioners throughout the Empire.

The Colonial Reception Committee, in conjunction with the Colonial Committee of the Central Council, desires through the medium of this journal, to extend a very cordial invitation personally to all medical practitioners in the colonies, and assures them of a hearty welcome to the Annual Meeting and to the capital of the Empire.

Great efforts are being made by these two committees to arrange such entertainments as it is hoped will meet with the approval of their colonial brethren, and so add to the success of the meeting of 1910.

We are, etc.,

EDMUND OWEN, *Chairman Colonial Reception Committee.*

DONALD ARMOUR, *Hon. Sec. Colonial Reception Com.*
