## WELLAND CANAL NOTICE TO CONTRACTORS

Sealed tenders, addressed to the undersigned, and endorsed "Tender for Improvements at Port Colborne," will be received at this office until 1 o'clock on FRI DAY, THE 20TH DAY OF JANUARY, 1900, for the works of improvement at the upper entrance to the Welland Canal.

Plans and specifications of the works can be seen on and after the 26th day of December, 1899, at the office of the Chief Engineer of the Department of Railways and Canals, Ottawa, and at the Superintendent Engineer's office at St. Catharines. Printed forms of tender can also be obtained at the places mentioned. In the case of firms there must be attached to the tender the actual signatures of the full name, the nature of the occupation and residence of each member of same, and, further, an accepted bank cheque for the sum of \$10,000 must accompany the tender. The accepted bank cheque must be endorsed over to the Minister of Railways and Canals, and will be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The accepted bank cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

The Department does not bind itself to accept the lowest or any tender.

Contractors are specially notified that the conditions requiring the works to be wholly completed by the 15th day of June, 1902, will be rigidly enforced and all penalties for delay enacted.

By order,  
L. K. JONES,  
Secretary Dept. Railways and Canals.

Department of Railways and Canals,
