

NEWS AND NOTES.

Josh Billings is suffering from a gastric trouble. His friends hope he has not been seized with another "bad spell."

Estey's Fragrant Philoderma is the only reliable and thoroughly harmless preparation in the market for the skin. For general use it is simply invaluable and far superior to Glycerine or any greasy compound. It is much better than Violet Powder for Chafing in Infants.

Germany, it is said, is beginning to grumble at the expense of its standing armies. Why don't Germany let its standing army sit down and rest?

Such minor Cutaneous Eruptions as Pimples, Blotches, Blackheads, &c., as frequently disfigures the "human face divine," are the vents through which nature endeavours to rid the system of its impurities. By the use of Hanington's Quinine Wine and Iron, and Tonic Dinner Pills, the blood is purified, and a healthy skin is the result. Beware of imitations. See that you get "Hanington's," the original and genuine. For sale by all druggists and general dealers in Canada.

Extracts from a Letter from C. H. S. Cronkhite, Esq., Canterbury Station, York Co., N.B., October 10th, 1876.

Mr. J. H. Robinson, Dear Sir,—In reply to your letter of enquiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I hereby authorize you to give it publicity in my name.

I am, dear sir, truly yours (Signed) C. H. S. CRONKHITE.

We, the undersigned, hereby consent to have our names published as witnesses to the effects of Robinson's Phosphorized Emulsion on the person of Mr. Cronkhite and do assert that the foregoing statement is correct in every particular.

It is claimed that Johnson's Anodyne Liniment is almost infallible in the cure of diphtheria, pneumonia, influenza, bronchitis, congestion of the lungs, and hard dry coughs. This may be all true. We know it will prevent diphtheria and that it will cure the croup instantly.

We will wager a year's subscription that a 25 cent package of Sheridan's Condition Powders contains more pure ingredients and cost more money than a bushel of any kind put up in large packs and sold for 25 cents. Sheridan's powders are absolutely pure.

A Corpse Restored to Life by Electricity.

A wonderful story was lately cabled from Berlin, telling how a man who had apparently been dead two days was restored to life by electricity. While this may be doubted, it is a well-known fact that electricity properly applied, if it does not restore the dead, at least prevents death by curing disease. An electric appliance made by a German electrician has recently created great excitement in Europe by the marvelous cures it has made and we are pleased to learn that a well-known firm in Brooklyn, N.Y., have obtained the agency for this country, and offer it at a price within the reach of all. See the advertisement of Forrest & Co., in this issue. At the price named it is certainly worth a trial.

NOTICE.—We beg to notify the Medical Profession and general public that the only Emulsion made by Puttner Bros., is the one known as BUDD'S CREAM EMULSION, and is the only one used and prescribed in the Provincial & City Hospital. See House Surgeon's report in another column. Samples sent free by sending to our laboratory, 125 and 127 Hollis St., Halifax, N.S.
