**- A FOUNTAIN PEN -
FOR
\$1.00**

A Fountain Pen is a good thing, provided you get the right kind at a moderate price. Fountain pens have hitherto been too high in price to come into general use. But the problem has been solved, and a good pen is now offered FOR ONE DOLLAR, free by post. This is not a cheap imitation, but a genuine gutta percha holder, with non-corrodible iridium pointed nib, from a first-class English firm. The nibs are furnished in fine, medium and broad, and as there is a twin feed the flow of ink is steady and reliable. Gold nibs, and holders with gold bands at higher prices, but the DOLLAR PEN is just as well adapted for everyday use.

The Neptune (for that is its name) is a favorite in England for short hand writers and others, but this is the first time, we believe, it has been offered for sale in Canada. The holder contains ink enough for two days steady writing.

Can be had by addressing J.J. Bell, GRIP Office, 81 Adelaide St., West, Toronto.
