OILS, PAINTS AND GLASS.—The only change in these lines is an advance of a cent in linseed oil. Turpentine rules firm at last revision of prices, and a large operator recently returned from the south, expresses his opinion that prices are likely to go up, basing his belief upon the fact that many of the distillers have had to seek new territory, besides which resin is realizing lower prices, so that manufacturers naturally try to make it up on the turpentine. In other lines there is nothing new. We quote:—Turpentine one to four barrels, 51c.; five to nine barrels, 50c., net thirty days. Linseed oil, raw, one to four barrels, 46c.; five to nine barrels, 45c.; boiled, one to four barrels, 49c.; five to nine brls., 48c., net 30 days; olive oil, machinery, 90c.; Nfld. cod, 35 to 37c. per gal.; Gaspe oil, 30 to 32c. per gal.; steam refined seal, 45 to 47½c. per gallon in small lots. Castor oil, 9 to 9½c. as to quantity. Leads (chemically pure and first-class brands only), \$5.37½; No. 1, \$5.00; No. 2, \$4.67½; No. 3, \$4.25; No. 4, \$3.87½; dry white lead, 4½ to 5c.; genuine red do., 4½c.; No. 1 red lead, 4c.; London washed whiting, 40 to 45c.; Paris white, 85 to 90c.; Venetian red, \$1.50 to 1.75; yellow ochre, \$1.25 to 1.50; spruce ochre, \$1.75 to 2.00. Paris green, 50 and 100 lb. drums, 15c.; 25 lb. drums, 15½c.; 1 lb. cartons, 16c.; pound tins, 16½c.; window glass, \$1.40 per 50 feet for first break; \$1.50 for second break; third break, \$3.10.

WOOL.—The market rules very firm, with moderate orders reported from millmen. The cargo of Cape wool reported some weeks ago as on the way for this market, is now some 15 days overdue at New York. Prices remain as last quoted.
