

## A WOMAN'S BURDEN.

THE STORY OF A WOMAN ADDRESSED TO WOMEN.

IT TELLS HOW THOSE WEAK AND DESPONDENT CAN OBTAIN NEW HEALTH AND STRENGTH AT A SMALL EXPENSE—THE FACTS FULLY VERIFIED BY INVESTIGATION.

From the Mail, Granby, Que.

The reading public have evidence put before them almost every day of the healing powers of Dr. Williams' Pink Pills. It is sometimes asked whether these cures are permanent, and in reply to this we would say that a case which recently came to the attention of the Mail indicates that the results following the use of this medicine are as lasting as they are beneficial. Some years ago Mrs. Robert Webster, who is well known in Granby, passed through a very serious illness in which her condition very nearly bordered upon collapse. Her blood appeared to have almost turned to water. She was very weak, her appetite fickle, and she suffered from severe headaches. Mrs. Webster had the benefit of excellent medical advice, but apparently without avail, as she seemed steadily growing worse. The least exertion would fatigue her, and finally she was a time unable to do her housework, and was confined to bed. Her husband suggested the use of Dr. Williams' Pink Pills and purchased a few boxes. Mrs. Webster had not been taking the pills long before she found herself growing stronger. Her headaches disappeared, her appetite improved, new blood appeared to be coursing through her veins, and her nerves again became strong and active. After using the pills for a couple of months she felt as well as ever she had done in her life, and could do her housework without feeling the fatigue that had formerly made her life so miserable. This, as already indicated, happened some years ago, and in the period that has elapsed Mrs. Webster has enjoyed the best of health. She says that if she feels at any time a little run down she takes a few doses of Dr. Williams' Pink Pills and is soon all right, and she thinks there is no medicine to equal them. Mr. Webster, speaking of his wife's cure, says Dr. Williams' Pink Pills did her a thousand dollars worth of good, and friends who knew her condition before she began the pills and saw the effect upon her, say the same thing. There are a number of others in this vicinity who have used this great medicine, and so far as the Mail can learn the results have always been beneficial.

There are thousands of women throughout the country who suffer as Mrs. Webster did, who are pale, subject to headaches, heart palpitation and dizziness, who drag along frequently feeling that life is a burden. To all such we would say give Dr. Williams' Pink Pills a fair trial. These pills make rich, red blood, strengthen the nerves, bring the glow of health to pale and sallow cheeks, and make the feeble and despondent feel that life is once more worth living. The genuine are sold only in boxes the wrapper bearing the full name "Dr. Williams' Pink Pills for Pale People." May be had from all dealers or by mail at 50c a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

## DO THOU LIKEWISE.

At Ohio priest, pastor of a country parish, discovered not long ago that many of his parishioners were derelict in the matter of taking a Catholic paper. He preached on the subject and as a result of his exhortation and efforts, every member of any standing in his parish now takes or has promised to take The Columbian. On last Tuesday a check was received from the good Father bringing the total of his remittances in less than three weeks, close to \$110. Exception made of names just entered, every subscriber is paid in advance to 1901 and there is not a delinquent on the list.—Catholic Columbian.

## For Small Boys.

The Sisters of Charity of St. Boniface, yielding to repeated requests from various quarters, have determined to undertake the management of a boarding-house for boys between the ages of six and twelve. Special halls will be set apart for them, where, under the care and supervision of the Grey Nuns, they will be prepared for their First Communion, while attending either the Preparatory Department of St. Boniface College or the classes of Provencher Academy. This establishment will be known as "Le Jardin de l'Enfance" (Kindergarten).

The results already attained in similar institutions of the Order give every reason to hope that this arrangement will fill a long felt want.

Board and lodging will cost six dollars a month. For the boys who attend Provencher Academy there will be an additional charge of fifty cents a month; and for those who take music lessons, \$3 a month. Bedding, mending and washing will be extra. The Sisters are willing to attend to these extras on terms to be arranged with them. The boys who attend the Preparatory Department of St. Boniface College will have to pay the tuition fees of the College.

Applications should be made to THE SISTER SUPERIOR, GREY NUNS' MOTHER HOUSE, ST. BONIFACE.
