

MASSACHUSETTS

The Psychopathic Department of the Boston State Hospital has been made a separate state hospital by legislative enactment. It is hereafter to be known as the Boston Psychopathic Hospital. Dr. C. Macfie Campbell, formerly of the Henry Phipps Psychiatric Clinic, Baltimore, is the new Medical Director. Dr. Douglas A. Thom will have charge of the out-patient department.

MINNESOTA

Interest is being expressed in the establishment of a state hospital at the University of Minnesota. It has the indorsement of the State Medical Society, many state and municipal officers, and social workers. It is proposed to have a hospital of at least 70 beds to be placed in the university hospital group and conducted by the medical school under a joint arrangement between the university and the State Board of Control.

TEXAS

The Northwest Texas Hospital for mental diseases, which was authorized by the 1917 legislature, is nearing completion. The East Texas Hospital, authorized the same year for coloured patients, was opened September 1st, 1919.
