1. The signing of this agreement, which in articles 14 and 15 mentions China, may under no circumstances be regarded as a recognition of the authority of the Kuomintang over the territory of Taiwan nor of the so-called "Chinese nationalist government" as the legal and competent government of China.
2. Considering the fact that the Polish People's Republic is a country of a planned economy, the provisions of the present Agreement concerning production, stocks and subsidisation of export, especially Articles 10, 11 and 12 do not apply to the Polish People's Republic.

At the time of signing the International Sugar Agreement on behalf of the Portuguese Government I desire to formulate the position already recorded in the Minutes of the International Sugar Conference to the effect that I do so on the understanding that the territories of Mozambique (Portuguese East Africa) will continue to export sugar to the territories of Southern Rhodesia, Northern Rhodesia, and Nyasaland and that Portugal will be recognised as an exporting country to which, in consequence, a basic export quota will be allotted when her position shall have been determined.
