No. 30

LIMA, May 8, 1964.

SIR,

I have the honour to propose, on behalf of my Government, that the Governments of Canada and Peru conclude an Accord on the establishment of amateur stations in Canada and Peru, regulating the conditions for the exchange of messages or other communications by these stations, under the following conditions:

a) that the amateur stations of Canada and Peru may exchange messages or other communications on behalf of third parties, provided

i) that the communications do not include any direct or indirect compensation therefor; and

ii) that the communications are not of importance, recourse to the public telecommunications service is not justified.

If the Government of Peru agrees to the proposals set out above, I have the honour to propose that this Note and your reply thereto constitute an Accord between our two Governments, which shall enter into force on the date of your reply and shall remain in force for a period of one year and thereafter until terminated by either Government on sixty days notice by either Government.

Accept, Excellency, the renewed assurances of my highest consideration.

FREEMAN M. TOVELL,
Ambassador of Canada.

His Excellency Fernando Schwalb,
Minister of Foreign Affairs,
LIMA.
