

**ARTICLE 32****Submissions by a non-disputing party**

A Tribunal has the authority to consider and accept written submissions from a person or entity that is not a disputing party with a significant interest in the arbitration. The Tribunal shall ensure that a non-disputing party submission does not disrupt the proceedings and does not unduly burden or unfairly prejudice a disputing party.

**ARTICLE 33****Governing Law**

1. A Tribunal established under this Section shall decide the issues in dispute consistently with this Agreement and applicable rules of international law. A joint interpretation by the Parties of a provision of this Agreement shall bind a Tribunal established under this Section, and an award under this Section must be consistent with that interpretation.
2. On the request of a respondent Party that asserts as a defence that the measure alleged to be a breach is within the scope of a reservation or exception set out in Article 17(1), or Annex II or Annex III, the Tribunal shall request the joint interpretation of the Parties on the issue. Within 60 days of the delivery of the request, the Parties shall submit in writing their joint interpretation to the Tribunal. The joint interpretation is binding on the Tribunal. If the Parties fail to submit their joint interpretation within 60 days of the Tribunal's request, the Tribunal shall decide the issue.

**ARTICLE 34****Expert Reports**

1. Subject to paragraph 2, a Tribunal may appoint an expert to report to it in writing on a factual issue concerning environmental, health, safety or other scientific matter raised by a disputing party, subject to such terms and conditions as the disputing parties may decide.
2. The Tribunal may not appoint an expert under paragraph 1 if the disputing parties agree that the Tribunal may not do so.
3. Paragraph 1 does not affect the appointment of other kinds of experts where the appointment is authorized by the applicable arbitration rules.
