(This resolution was adopted unanimously in the First Committee)

*The General Assembly,

REAFFIRMING the responsibility of the United Nations for seeking a solution of the disarmament problem,

CONSCIOUS that the continuing development of armaments increases the urgency of the need for such a solution,

HAVING CONSIDERED the fourth report of the Disarmament Commission of 29 July 1954 (DC/53 and DC/55), and the documents annexed thereto, and the Soviet draft resolution (A/C.1/750) concerning the conclusion of an international convention (treaty) on the reduction of armaments and the prohibition of atomic, hydrogen, and other weapons of mass destruction.

1. CONCLUDES that a further effort should be made to reach agreement on comprehensive and co-ordinated proposals to be embodied in a draft international disarmament convention providing for:

(a) The regulation, limitation and major reduction of all armed forces and all conventional armaments;

(b) The total prohibition of the use and manufacture of nuclear weapons and weapons of mass destruction of every type, together with the conversion of existing stocks of nuclear weapons for peaceful purposes;

(c) The establishment of effective international control, through a control organ with rights, powers and functions adequate to guarantee the effective observance of the agreed reductions of all armaments and armed forces and the prohibition of nuclear and other weapons of mass destruction, and to ensure the use of atomic energy for peaceful purposes only;

The whole programme to be such that no state would have cause to fear that its security was endangered;

2. REQUESTS the Disarmament Commission to seek an acceptable solution of the disarmament problem, taking into account the various proposals referred to in the preamble of this resolution and any other proposals within the commissions terms of reference;

3. SUGGESTS that the Disarmament Commission reconvene the sub-committee established in accordance with paragraphs 6 and 7 of General Assembly resolution 715 (VIII);

4. REQUESTS the Disarmament Commission to report to the Security Council and to the General Assembly as soon as sufficient progress has been made .
