SWEDEN/CANADA MEETINGS ON
TECHNOLOGY DEVELOPMENT AND BUSINESS COOPERATION

The Secretary of State for External Affairs, the Right Honourable Joe Clark announced today that His Majesty, the King of Sweden, Carl XVI Gustaf and a delegation of Swedish industrialists and engineering scientists will participate in a technology symposium in Ottawa next week.

The symposium, and a concurrent session on business cooperation will take place during a visit to Canada by the King and the Swedish delegation from March 14-18, 1988. The leader of the industrial delegation is the Swedish Minister of Foreign Trade, Mrs. Anita Gradin.

Following the meetings, the Minister of Regional Industrial Expansion and Minister of State for Science and Technology, Hon. Robert de Cotret will address a luncheon for the Swedish delegation and members of the Canadian scientific, engineering, and business communities.
