W. Tees Curran, Esq.,  
Secretary, The Royal Empire Society,  
Sun Life Building,  
Montreal, Canada.

Dear Mr. Curran,

Sir Arthur Salter, according to present arrangements, plans to leave Canada on May 2nd. I think you will find that his time is entirely taken up and that Mr. Vincent Massey has mapped out an itinerary which is more or less hard and fast.

I note you say that you had not heard about the Salter lecture. We have had a good deal of publicity about it in the Montreal press. I am enclosing a few notices, in case you would care to distribute them among your members.

Yours faithfully,

Principal

Enclosure.
