

THE CANADIAN PACIFIC RAILWAY CO.
MONTREAL

December 17th, 1931.

Dear Sir Arthur:

While Dr. Swanson was in the East for the recent conference at McGill University, we took the opportunity of preparing for the Counsel Club of Montreal, a short study of some of the economic factors in production and consumption of wheat. It occurs to me that you might be interested in this and I am enclosing a copy.

Yours very truly,

P.C. Armstrong.

Sir Arthur Currie, G.C.M.G., K.C.B.,
Principal and Vice-Chancellor,
McGill University,
Montreal, Que.
