Mr. Milton M. Enzer,  
Union College,  
Schenectady, New York.

Dear Sir,

As requested by your letter of January 23rd, I am sending you another biographical sketch folder of Sir Arthur Currie. Sir Arthur Currie is on his way to India, where he will represent the Canadian Government and people at the ceremonies formally inaugurating New Delhi as the capital of British India. We do not expect him back in Canada until May, so that there may be some difficulty about getting his Union College address very far in advance of publication. However, immediately upon his return I shall bring the matter to his attention.

Yours faithfully,

Secretary to Sir Arthur Currie.
