Dear Mr. Principal:—

I had a talk  
yesterday with MacIntosh of  
Queens about the proposed  
joint economic and statis-  
tical service. I called to  
his attention the difficult  
question of responsibility. We  
agreed that this is a dif-  
ficult problem but suggested  
that it might be overcome  
by requiring that all articles  
should be read and
