

purpose for which the water was to be used, or there has been an addition thereto, or alteration in the premises, it shall be the duty of the Superintendent to make the proper correction, and the consumer shall pay the extra rate.

Contracts.

11.—No contract shall be made for a less period than twelve months, except by special agreement.

Building Purposes.

12.—Persons who require water for building purposes shall make application in writing to the Superintendent, accompanied by an estimate of the number of bricks, cords of stone, and yards of plastering for which it is required, and pay rates in advance upon such estimated quantities, and if more materials are used than in the original estimate, the applicants shall pay any additional charges on the completion of the work.

Time for Laying Services.

13.—No connections shall be made between the fifteenth day of November and the first day of May next ensuing, unless specially recommended by the Engineer or Superintendent.

Shut off Water for not Complying with Rules.

14.—The Superintendent may have the water shut off from the premises of any persons not complying with the Rules and Regulations of the Company, and in case where the water has been shut off for allowing waste, or leaks, or defects in pipes or cocks, he may refuse to turn on again till he shall receive satisfactory evidence that the necessary repairs have been properly made.
