### RUN OF CATTLE CONTINUES LIGHT

Price Unchanged for Choice  
Butchers — Easier  
for Cows.

### VEAL CALVES HIGH

Demand Greater Than Supply  
—Sheep and Lambs Want-  
ed at Good Figures.

Receipts of live stock at the Union  
Stock Yard yesterday were 54 cars,  
594 cattle, 1069 hogs, 668 sheep and 245  
calves.

The run of cattle was again light with  
few good to choice quality among them.  
Trade was quiet with prices unchanged  
for choice butchers, but easier for cows  
and common to medium grass cattle.

On account of the warm weather and  
fruit becoming more plentiful the pros-  
pects are for lower prices for cattle, ex-  
cepting choice stall-fed animals.

A few cattle sold up to \$8.50, but of  
course they were of extra quality, being  
stall-fed.

The market for stockers and feeders  
was anything weaker, few reaching \$7  
per cwt., the bulk selling from \$6 to  
\$6.50.

There being little or no demand for  
milkers and springers, prices were  
easier on a weak market.

Veal calves still sold at high values,  
the demand being greater than the sup-  
ply.

Sheep and lambs were in demand, and  
the latter sold at higher quotations.  
Hogs were quoted about 10c lower than  
on Tuesday.

**Butchers' Cattle.**  
Choice butchers' steers by the head sold  
at \$2.25 to \$3.50; choice steers and heifers  
at \$3 to \$3.25; medium to good at \$2.75  
to \$3.10; common, \$2.50 to \$2.75; choice  
cows, \$2 to \$2.25; good cows at \$2.50  
to \$2.75; medium cows, \$2.25 to \$2.50;  
cows and cutters, \$2 to \$2.25, bulls, \$2.50  
to \$2.75.

**Stockers and Feeders.**  
There was little doing in stockers and  
feeders, as demand has fallen off and  
prices were lower. Choice steers, \$6.75 to  
\$7; medium to good steers, \$6.50 to \$6.75;  
stockers, \$5.75 to \$6.40.

**Milkers and Springers.**  
The market for milkers and springers  
was dull and draggy with prices easier,  
selling from \$45 to \$85, but few reach the  
latter figure.

**Veal Calves.**  
The delivery of veal calves was light,  
which caused prices to be very firm.  
Choice veals \$10 to \$10.50; good calves, \$9  
to \$9.50; medium calves, \$8 to \$8.50; com-  
mon, \$7 to \$7.75.

**Sheep and Lambs.**  
There were 568 sheep and lambs re-  
ported on sale. The market for both  
was firm, for sheep of good, light quality,  
but lambs were sold at higher values.  
Sheep, ewes, light, sold at \$5.75 to \$6.25;  
heavy ewes and rams, \$4 to \$4.50;  
spring lambs sold at \$10 to \$12 per cwt.

**Hogs.**

**C. P. R. LIVE STOCK MARKET.**  
MONTREAL, June 24.—At the C. P. R.  
live stock market the range of prices was

slightly lower, but as there were no ex-  
tra choice steers offered the top price of  
Monday was not realized. Best steers

from that down to \$7.50, with some com-  
mon lots selling at \$6 to \$6.50 per 100  
lbs. Butchers' cows brought from \$4 to  
\$7.75 and bulls from \$5 to \$7.50 per 100

Hogs were in fair demand and Ontario  
selected lots were made at \$5.50 to \$6.50,

**GOES TO PEN FOR TWO YEARS.**  
Penal servitude for two years was the  
sentence imposed by Magistrate Denison  
yesterday upon Harold Clarkson, who  
was found guilty of stealing clothing  
from R. E. Walker and R. Downes. A  
second charge, that of shooting with in-  
tention, beyond the jurisdiction of the  
magistrate and Clarkson will be brought  
from Kingston to face that charge at the  
assizes.

Clarkson's young wife and her parents  
were in court and the father told of the  
shooting. W. K. Murphy, counsel for the  
accused, pleaded for a light sentence, as  
this was the young man's first offence.  
The magistrate said that he had  
given the case careful consideration, and  
the term, being subject to reduction for  
good conduct, was for the best.

### REPORTS CAUSED A SEVERE BREAK

#### Abrupt Setback on Chicago Market — General Rush to Sell.

CHICAGO, June 24.—Flattering re-  
ports about the wheat harvest in the  
United States caused a severe break  
in prices in Liverpool before trading  
here began. The result was an abrupt  
setback for the Chicago market the  
instant that business opened. There  
was a general rush, which was follow-  
ed by a reaction on profit-taking, and  
by a renewal of weakness, with later  
a second rally.

**Market Depressed.**  
Liberal acceptances of bids here for  
wheat to arrive from the country had  
much to do with keeping the market  
depressed, notwithstanding advices  
that European rivals had withdrawn  
from efforts to undersell the United  
States. In addition, harvesting was re-  
ported general as far north as the  
Kansas-Nebraska line, with field con-  
ditions ideal, and 40 per cent. of the  
Nebraska crop was expected to be  
ready to cut by the end of the present  
week.

Oats weakened in sympathy with  
wheat and because of reports that ru-  
ral holders were showing more wil-  
lingness to sell.

Provisions averaged higher with  
hogs. Cash meats were said to be in  
excellent demand.

**Through Coach to Lindsay.**  
Canadian Pacific train No. 36, leav-  
ing Toronto 3.20 a.m., arriving Lin-  
dsey 12.10 p.m., and train No. 35, leav-  
ing Lindsay 4.20 p.m., arriving To-  
ronto 7.10 p.m., will carry through  
coach between Toronto and Lindsay.  
Full information, etc., from Canadian  
Pacific Ticket Agents, City Office,  
corner King and Yonge streets, To-  
ronto.
