BY LAW No 423.

A By law to provide for the erection of a bridge across Gull River at the Village of Norland.

Whereas it has become necessary and expedient to erect a new bridge across Gull River at the Village of Norland which river forms the boundary between the Townships of Laxton and Somerville.

The Municipal Council of the Corporation of the County of Victoria enacts as follows.

That a new bridge be erected across Gull River at the Village of Norland, the said bridge to be constructed of wood and on such site as the Commissioners hereinafter named shall decide to be most suitable and according to plans and specifications to be prepared under their direction by the County Engineer.

That the Commissioners shall have full power and authority to carry out the work either by entering into a contract or contracts or by employing workmen and purchasing timber and other materials, as they may conclude the interests of the Corporation will be most effectively guarded, and shall have authority to grant orders upon the County Treasurer for the payment of the contractor or contractors or for the payment of the wages of workmen and for materials.

That John Fell of the Township of Somerville and John Bailey of the Township of Laxton, Esquires, be and are hereby appointed Commissioners on behalf of the County of Victoria with power and authority to carry into effect the purposes of this By law.

Passed this Twenty-eighth day of November, A. D. 1891.
