

CATTLE MARKET

HAS SLOGGISH

Good Cattle Steady—Common From 25c to 50c Lower—Hogs Firm at \$8.80 to \$8.90.

Receipts of live stock at the Union Yards for Thursday were 88 cars, 700 cattle, 1,100 hogs, 81 sheep and lambs, and 50 calves.

The total receipts for the week thus far were 381 cars, 615 cattle, 1,078 hogs, 789 sheep and lambs, 87 calves and 112 horses.

There were few good to choice cattle on sale, but a record run of medium, common and inferior light eastern butchers, which were hard to sell at almost any price, and many of which were still unsold at the close of the market.

Not only was the quality of the cattle bad, but the weather, which was rainy and cold, was a factor in the sluggishness of the market.

Monday could appreciate how bad the market was for the light common cattle, this week, but those who had them to sell, how much was chopped off the top of the seller, for there were many and various opinions about the extent of the decline. Generally speaking, the market was from 25c to 60c per cwt. lower for the common and inferior classes.

The heifers weighing from 80 to 100 lbs. each, one common dealer informed us, were practically unsaleable at any price, as nobody wanted them.

Good to choice butchers' cattle, of which there were few on sale, were steady at unchanged quotations. All other classes of live stock were unchanged from our last quotations.
