The Woman Who Did

Buy a semi-transformation at a store other than Pember's was sorry for it afterwards, and came and told us so.

It is not egotism that causes us to claim superiority for our Semi-transformation as well as all our other famous hair creations. It is the judgment of thousands of Canada's most particular women that

PEMBER'S HAIR GOODS

ARE PAR excellence the most fetching, becoming, illusive and youth restoring productions to be found at home or abroad. The particular are mentioned. THE SEMI-TRANSFORMATION is extended for ladies whose hair may be thin on the top or at the sides or who may wish to add to the luxuriance of their looks.

THE EXHIBITION

FURNISHES an unusual chance to inspect and observe privately just how one looks wearing a SWITCH, BANG, WAVE or TRANSFORMATION. Department store hair goods and shoddy imperfectly made creations not handled, ladies will do well to make it their business to see this store's exhibit of
