MARKHAM FAIR IS OPENED ATTENDANCE NEARLY DOUBLE

Rain Mars First Day's Racing—Fine Display of Exhibits.

Markham, Oct. 4.—(Special).—The opening of the annual fall fair here to-day, while somewhat marred by the threatening weather, was in other respects a gratifying success. The attendance for the opening day was nearly double that of last year, while the speeding and running events in the ring were all keenly contested and furnished excellent sport. A feature of more than ordinary interest was the exhibit of hackney horses by Graham Bros. of Clarendon, who have altogether some 20 fine animals for show purposes. H. J. Spencey of Box Grove also exhibited Rosary, the champion show hackney of Canada. A visit to the several departments demonstrated that for the most part this year's fair will easily take precedence over any hitherto held. This is more especially the case in horses, ponies, cattle, sheep and swine, as well as in carriages and in line arts. In fruit and vegetables some slight falling off is noticeable. The pony races were finished in a peevish rain, but for the speeding and running events the track was in excellent condition. The 240 trot or pace, 1 mile heats.

The results were: Chatelaine, N. Holland 1 1 1 Bay Billy, J. Nolan 2 3 2 Weston, E. H. 2 4 4 Edna J., M. Stewart 4 5 4 Gyp 4 5 4 The judges on the course were: Dr. J. D. Orr, Thomas Graham, W. J. Newmarket. Newmarket, Oct. 4.—Seven tiers of the new bridge the Toronto and York Radial Co. are building in town fell this morning. The bridge was under construction and framed certificate to Bro. Harry Baker for services rendered to the lodge. Bro. Baker has recently returned from an extended visit to the old country. The property committee of the public school board will meet in the town hall Saturday night. It is the intention of the board of health to pay an official visit to Martin and Leveck's abattoir Friday afternoon.

Toronto Junction. Toronto Junction, Oct. 4.—Worcester Lodge, Sons of England, held their regular meeting to-night in Campbell Hall. The feature was the presentation of an engraved and framed certificate to Bro. Harry Baker for services rendered to the lodge. Bro. Baker has recently returned from an extended visit to the old country. The property committee of the public school board will meet in the town hall Saturday night. It is the intention of the board of health to pay an official visit to Martin and Leveck's abattoir Friday afternoon.

Neille Syms, the 10-year-old daughter of the reeve of York Township, met with a fatal accident when coming home from St. Clair-avenue school yesterday afternoon. The reeve considers he has a case for damages as the child fell while crossing the track and struck her head on one of the rails. EMPIRE HOTEL. 236 Yonge-street, most modern and up-to-date hotel in Toronto. Rates \$1.50 to \$2 per day. J. Newton, proprietor. Phone Main 2555.

Brougham. Miss Froude, lesson has gone on a visit to her brother, Walter, in the State of Oregon. George Philip, who has been agent for the passenger Company here for some time, is selling out. Mrs. William Devitt had the misfortune to slip on the stairs, severely, in being thrown from a rise. Many people to the east are anxiously awaiting the installation of the expected independent telephone service. The value of farm phones is becoming more apparent each year, as a valuable adjunct to farm life and a means of increasing farm values. John A. White is feeding a large number of cattle for the winter markets again.

Brougham is the centre of one of the best agricultural belts surrounding Toronto. The farms are first-class, and the people as a rule energetic and making money. If an electric road or branch of some steam railway would cross near here much convenience would result to the farmers. There is a long history of pickering that would boom well were there better transportation facilities.

Schomberg. The Ladies' Aid members of the Schomberg Methodist Church next Sunday. The members are desirous to thank all those who so liberally patronized them at their market tent for generous support thus given, and trust that any business transacted there will be highly satisfactory to all concerned. North Toronto. A wedding was solemnized on Wednesday evening at the bride's home, 1064 Broadview-avenue, when Miss Ruby Pugsley, the second daughter of Mr. R. Pugsley, was married to William H. Moore of Alberta. The ceremony was performed in the drawing-room, which was decorated with palms and roses. Rev. N. Wellwood of the Eglington Methodist Church officiated. Owing to the recent death of the bride's father, Reuben Pugsley, the event was quiet, only the immediate relatives of the bride being present. Miss Lena Pugsley, sister of the bride, played the "Wedding March" while Nora Pugsley, another sister, acted as bridesmaid, and the brother of the bride, John Pugsley, assisted the groom. The groom's present to the bride was a pearl crescent, a lock and chain to the bridesmaid, and a mantle clock to the bride's mother. After a two weeks' wedding trip Mr. and Mrs. Moore will reside at Alberta. A wedding took place at the residence of the bride's parents, Mr. and Mrs. David Birrell of the York Mills Hotel, when their fourth daughter, Annie, was married to Clarkson Stephen of Birch-avenue, Toronto, on Wednesday evening. Rev. J. C. Tibb of the Eglington Presbyterian Church performed the ceremony, and Miss Doughty played the "Wedding March." The bride was dressed in cream silk cologne over taffeta. After the ceremony a wedding dinner was served to

about 30 guests. After the return from their wedding trip Mr. and Mrs. Stephen will reside on Markham-street, Toronto. Harvest home services will be held at the Eglington Methodist Church next Sunday. The morning service will be conducted by Rev. A. G. Courtenay, A. D. D., and the evening service by Rev. D. C. Hossack, M. A., LL. D., of the Deer Park Presbyterian Church. Great preparations are being made for the harvest home festival at the Davisville Methodist Church next Sunday. The following ministers will take part in it: At 11 a. m., Rev. Richard Hossack, president of the Toronto conference; at 3 p. m., Rev. C. Jeff McCombe, assistant pastor of the Elm-street Methodist Church, the eloquent young Irishman, who will speak more particularly to the Davisville Young Men's Club and the Sunday School. At 7 p. m., Rev. G. McKimley of Thornhill will preach. The church is being decorated for the occasion, and special music provided especially for the afternoon service, at which Mr. Garratt, the choir leader of the First-avenue Baptist Church, Toronto, will take part. The funeral of Mrs. Stevenson, sr., of Deer Park took place at Prospect Cemetery yesterday afternoon. Rev. D. C. Hossack officiated. Seventy-five gallons of water a day for each person in town seems to be a large consumption, even for a local option town, but such is the case. During last month there were pumped 4,564,000 gallons. One case of diphtheria is reported to exist in town on Yonge-street, Eglington. R. J. Berkshaw of St. Clair-avenue, Deer Park, has announced his intention to run for an office in the township council. As the council cannot provide the money the overcrowding of Eglington school will continue until the end of the year. The school board last night refused to make Friday, Oct. 19, a holiday. A resolution of condolence will be sent to Trustee Brown.

East Toronto. East Toronto, Oct. 4.—Residents on Pinehurst-avenue have a grievance against the council of East Toronto in refusing to grade that thoroughfare when asked to do so by those living there. The district is filling up rapidly, and one or two of the property owners have been compelled to do the work at their own expense. Commissioner Osborne has a large force of men at work opening up Wheelbar-avenue from the point where the city line stops to Pinehurst. The work is being done at the instance of York Township Council.

Premier Whitney Says Government and Opposition Are as One in That Respect.

The meetings of Wycliff Alumni League and with increased attendance were continued yesterday at the college. Premier Whitney's visit, the interesting papers by Canon Cody and Prof. Norman Andrews, and the church missionary society were the features of the day.

The election of officers occurred in the morning with the following result: President, Rev. L. E. Skoy, M. A.; vice-president, Rev. A. Miles, B.A.; secretary, Rev. E. A. McIntyre, B.A.; treasurer, Rev. E. A. Langfield, M.A.; executive, Rev. E. A. Wright, B.A.; Rev. Canon Cody, D.D.; Rev. J. M. Baldwin, M.A.; Rev. W. H. Vance, B.A.; Rev. J. W. Andrew, B.A.; Rev. W. H. Vance, chairman; Principal O'Meara, Rev. C. H. Marsh, Rev. Dyson Hague, Rev. R. A. Sims, burary committees, Rev. E. N. E. and Rev. C. W. Holdsworth.

At luncheon Premier Whitney was a guest and the cheerful presence of Rev. F. W. Tompkins, Philadelphia. The premier met with a reception of astonishing warmth, the applause being prolonged when he arose and on the conclusion of his address and on the vote of thanks proposed by Principal Miller and Principal O'Meara.

Premier Whitney spoke of the necessity and value of the party system in education and the cheerful presence of Rev. F. W. Tompkins, Philadelphia. The premier met with a reception of astonishing warmth, the applause being prolonged when he arose and on the conclusion of his address and on the vote of thanks proposed by Principal Miller and Principal O'Meara.

Canon Cody read a brilliant paper on the religious movements at present striking Europe with special reference to France. Prof. Norman Andrews of the Brantford Conservatory of Music contributed a paper on the value of music in church services, to which his experience and fine taste lent additional interest. Touching upon the organization of the ancient temple services he pointed out how music may demoralize as well as elevate by its influence. The angel choir at Bethlehem, the harping of David, the ministry of music for Paul and Silas, St. Augustine's conversion thru music, the position of Ambrose, Constantine and Gregory as fathers of the church and musical reformers were all dealt with.

The speaker dwelt upon the organization of the church as affecting the development of musical forms, the Roman Church furnishing music for the mass, the Anglican Te Deums and canticles, and the Lutheran developing the chorale. As in the case of Augustine music planted the seed from which sprang noble and holy lives. "Let me with the music of the church," paraphrased, and I care not who conducts the services." There

was musical vulgarity, frivolity and sensuality, and only that should be tolerated which embodies. There should be a unity of thought in the church service to which voluntaries, hymns and anthems should all contribute. Analysing Handel's "Dead March" he described the plaintive monotonous wail of grief and the resignation of sorrow that was human, finally culminating in the victory over death in the resurrection and the life everlasting. In conclusion Prof. Andrews pointed out that a boy choir is by no means a high church element; many erroneously believe it to be. The boy choir is distinctively a feature of the Anglican Church, and the custom of dressing them in surplices arose merely from a desire for better order and discipline when choirs were moved from the west gallery to the chancel.
