ASKS A SQUARE OPEN FIGHT IN NORTH YORK.

LENNOX SENATE PO. VIS.

Herbert Lennox, the Conservative opponent of Hon. E. J. Davis in North York, has addressed the subjoined letter to the latter, asking for a pure campaign when North York and another election is to be held at Toronto.

A mass meeting of Conservatives will be held at Aurora on Thursday night to lend support to the ideas Mr. Lennox urges in his letter. The letter is as follows:

Hon. E. J. Davis, M.L.A., Commissioner of Crown Lands.

Dear Sir: You no doubt have noticed by a perusal of the press of both political parties, that each is accusing the other of having committed bribery and corruption in the recent by-election, and further that each party has charged the other with having imported and brought into the different ridings outside men thru whose agency and instrumentally such bribery and corruption are supposed to have been committed. As both sides seem to agree that these outside men are brought in for no good purpose, it has occurred to me that a proposition such as I intend to make, if agreeable to you, would in a large measure eliminate the opportunity for bribery in the coming by-election, which sooner or later must be held in North York.

I take it for granted that you will be the nominee of the Liberal party in North York, and I expect to be similarly honored by the Liberal-Conservative.

Will you agree with me neither to bring into this riding from now until the campaign is over any outside men, nor permit so far as in your power lies, anyone else to do so, on your behalf?

This proposition should meet with your unqualified approbation if you are desirous of conducting a fair and honest election, especially in view of the fact:

- (1) That your government is now in power.
- (2) That the riding of North York has a normal Liberal majority of from six hundred to seven hundred.

T. Herbert Lennox.

CRY OF LOYAL CANADIAN CHECKS YANKEE SLANDER

Representative Cochran's Speech Interrupted by Voice of Woman in the Gallery.

Washington, Jan. 20.—The members of the Lower House of Congress were interrupted to-day by a most unusual incident. It was while a general debate on the District of Columbia Appropriation Bill was on, and had branched off to Alaska boundary dispute, and the subject of trusts. On the last-mentioned subject Mr. Shepard of Texas used exceedingly strong language in his denunciation of the existing condition of affairs. He ridiculed President Roosevelt's anti-trust campaign, declaring that in view of his performance his Minneapolis speech was a "disheartening mockery." To call him the anti-trust candidate for 1904, the Congressman said, was "most colossal jest of the times."

He also denounced John D. Rockefeller and J. P. Morgan.

At this point Mr. Cochran (Mo.), took the floor, and in his remarks, referred to the Alaska matter, criticizing severely the "surrender" to England, which he termed "cowardly and pusillanimous."

Mr. Cochran continued speaking of "the trucking policy of the United States to Great Britain. When that trucking ceased, he declared, the people of Canada would intensify their demand to change their attitude."

Then came the interruption, and it burst from the ladies' gallery.

"Yes He!" came the clear, ringing tones of a woman's voice. The owner of the voice was a stylishly dressed young lady. All eyes were at once turned to the gallery where the speaker leaped forward defiantly, as if she intended to say something further. But a woman's shriek burst and immediately after her left.

Mr. Sulzer (N.Y.) also participated in the debate concerning the Alaska boundary. He was loudly applauded, and was no doubt of the title of the United States to the disputed territory. He also pointedly discussed "The claim that territory, future generations would denounce us as he now denounced all who had any part in the surrender of 1842."

MANGLED BY AN ENGINE THORNHILL IMAN KILLED

Run Down by a Shunting Locomotive While Going to His Dinner at Barrie.

Barrie, Jan. 20.—At noon to-day, while on his way to dinner, James Earger was horribly mangled by a shunting engine in the C.T.R. yards. He came down from Thornhill by an engine, with a number of other section men, to assist in clearing the tracks of snow. When the whistle blew at 12 o'clock, he started for the roundhouse, and was struck by the tender of the engine and dragged up to the station before being noticed. A passenger engine, however, called the engine noticed the body under the wheels of the engine, and called to stop the engine, but not before the unfortunate man was crushed almost beyond recognition. He was the sole support of a widowed mother, who lives at Thornhill, to which place the body has been forwarded.

DIED WITHIN AN HOUR.

Kingsville, Jan. 20.—Inglis Wigie, a prominent young farmer, living in the western part of the Township of Gosfield South, was killed by his bull this morning.

Mr. Wigie was attacked by the bull as he was washing the man against the barn so severely that he died within an hour. Deceased was married a few months ago.

BURNED WHILE HE SLEPT.

Nelson, B.C., Jan. 20.—The Pioneer Hotel, at Morrissey Junction, was destroyed by fire last Saturday night, with all its contents. Herbert Marriot, a young man from Phoenix, asleep at the time, lost his life. No other lives were positively known to have been lost, but it is thought that another man met death in the flames.

The fire was caused by an oil lamp being lit over during a friendly scuffle. The entire building, which was one of the largest in the town, was a mass of ruins in thirty minutes, and many close escapes resulted.

KILLED BY A FALL.

Niagara Falls, Jan. 20.—Samuel Patton, the well-known stone mason contractor of Niagara Falls South, was instantly killed this evening about 8 o'clock by being thrown out of his cutter, near Bullock's Corners, on Ferry-street. It seems the horse got unmanageable, and turning too quick he threw the rider overboard, killing him instantly.

AN ACCUSED PARTRIDGE.

Quebec, Jan. 20.—Alfred Cote, a son of the late Alderman Cote, whose sudden death was reported yesterday, was fingerprinted in jail this evening after the coroner's inquest, as being criminally responsible for the death of his father, which occurred after a quarrel with the police. Cote is 38 years old and unmarried.

GARMENT WORKERS STRIKE.

2500 in Vienna Demand More Pay and Fewer Hours.

Vienna, Jan. 20.—Twenty-five hundred garment workers and their assistants went on strike to-day for an increase in pay and a reduction in their hours. They assert that the present piece rates are inadequate and that they are compelled to work for fourteen to sixteen hours a day for starvation wages. The demand for an increase of pay and a working day of eleven hours, which will permit them to live decently, will be immediately granted.

There were some demonstrations on the part of the strikers, but the disorder was suppressed by the police.

6000 AT FUNERAL.

Columbia, S.C., Jan. 20.—About 2000 people attended the funeral to-day of Editor N. G. Gonzales, who died from a pistol shot wound inflicted by Lieut. George G. Hillman. The services were held at Trinity Episcopal Church. With the single exception of the funeral of General Wade Hampton, held in the same church last April, the assemblage was the largest and most representative seen in South Carolina in the last quarter of a century. A report that Mr. T. H. Wainwright would resign his office in the territory, expires to-morrow.

TO KEEP HIM GOING.

Rome, Jan. 20.—Minister of Public Instruction Nasi has officially confirmed the nomination of Pietro Mascagni, the composer, to the directorship of the Rossini Lyceum, the musical conservatory at Pesaro.

Signor Mascagni was deprived of the directorship of the Rossini Lyceum by the resignation of the late Antonio Ricciardi, who had undertaken a concert tour in the United States. The position in question is the highest in the Italian musical world. The salary connected with it is \$2400 a year.

CUT THROAT WITH BARBED WIRE.

Albert Lea, Minn., Jan. 20.—Andrew Alverson, the man found dead in a pasture near here, yesterday, committed suicide. Seven different places were found where he had saved his neck on a barb wire fence. Finding this process too slow, he went to a small tree, and, pulling the limbs apart, placed his neck between and strangled himself.

SESSION OR NO SESSION.

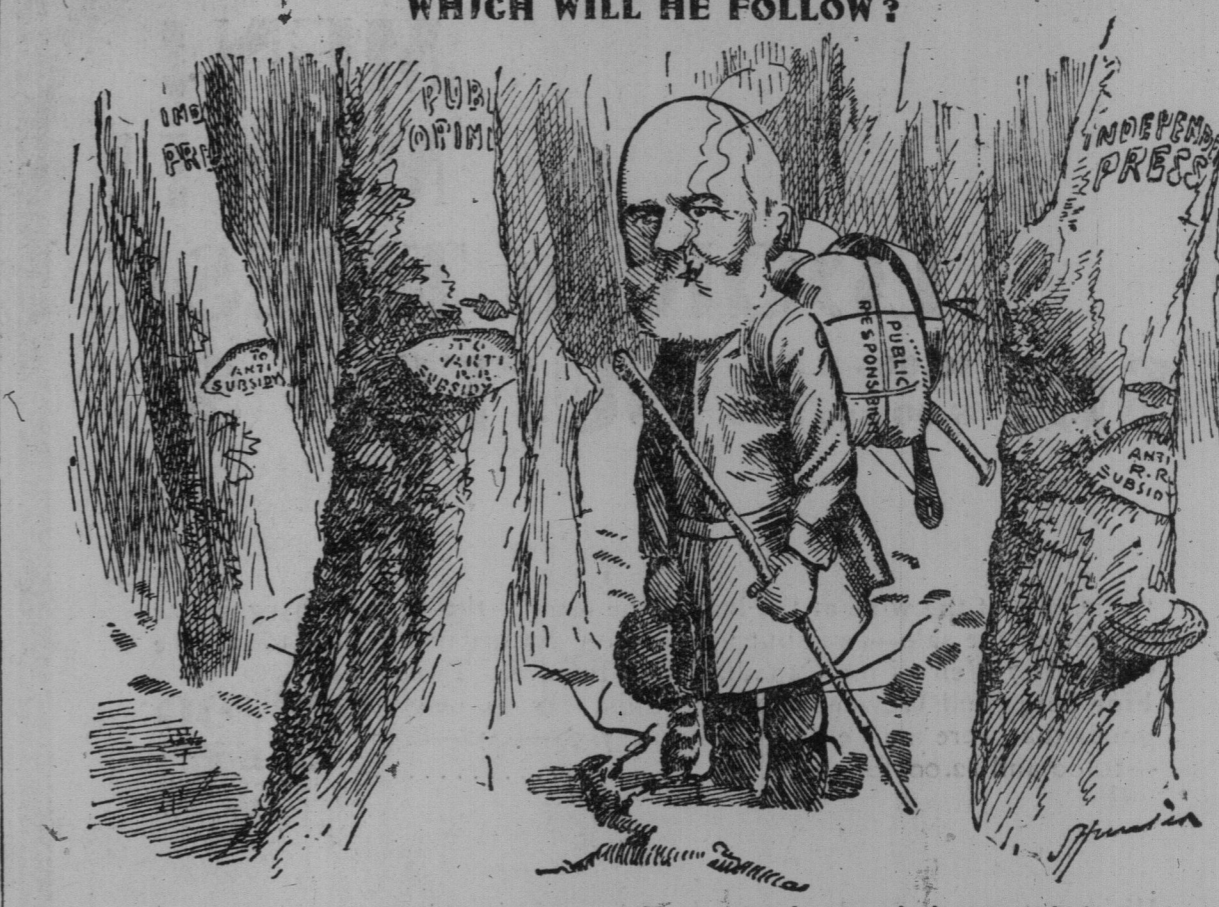

No Provincial Minister or official will confirm the report that the legislature is to meet early in February, and the general opinion seems to be that the date will be much later. Some are inclined to believe that there will be no session at all, and that the House will be dissolved, possibly, very shortly.

There is No Beauty that can stand the disfigurement of bad teeth. Take care of your teeth. Only one way—Socodent.

CANADIAN RUBBER ASSOCIATION.

Montreal, Jan. 20.—At a meeting of the Canadian Rubber Association of Canada to-night, W. S. Lousen of Montreal was elected president; J. A. Fullerton, Toronto, secretary; Charles Burnett, Toronto, treasurer; and Executive Committee for Ontario—William Garret, Alexander MacPherson and D. D. Hawthorn.

Did you ever try the top barrel?

MR. BLAIR: That's queer. The way which Mr. Hays pointed out and the way which this blazed trail indicates are in exactly opposite direction.

RAILWAY TO "SOO" SOLD TO NEW YORK SYNDICATE

Brockville, Westport and Sault Ste Marie Line Will Be Made Up-to-Date.

Brockville, Jan. 20.—The Brockville, Westport and Sault Ste Marie Railway was sold by auction here to-day to The Re-Organization Syndicate of New York for \$100,000. This syndicate has a capital of \$2,000,000, and was organized to purchase the road. The only other bid was one of \$150,000, made by Mr. Loengren, representing the Investment Company of Philadelphia. The sale is the result of foreclosure by the Knickerbocker Trust Company of New York, which company held first mortgage bonds to the amount of \$125,000. These bonds have been quoted at about 45, and the new proprietors have an option on them.

The troubles of the B. W. & S. S. R. date from the time of its construction in 1888. The contractor got into difficulties, and the charter and the contract were assigned to the Investment Company of Philadelphia in 1891, and that company operated the road till 1895, when a receiver was named. It was later taken over by the Knickerbocker Trust, which later had control ever since. The new proprietors purpose changing the name of the railway, and will extend it probably to Sault Ste Marie.

They intend to equip the road in an up-to-date manner, and to extensively advertise some of the towns along the line, which are already famous for splendid fishing. The country traversed by this railway is undoubtedly a paradise for fishermen.

D.R.O.'S NAME FORGED.

H. A. Branton and W. H. Walsh Found Guilty in St. Thomas.

St. Thomas, Jan. 20.—The court in the alleged ballot box stuffing resumed this morning. Mr. Robinson, counsel for the defence, argued at length for the acquittal of H. A. Branton and W. H. Walsh, his clients, on technical grounds. The deputy returning officer swore that his signature had been forged on the spurious ballot papers. It was admitted by the prosecution that there had been no attempt made to put the forged ballot papers in the box, nor to have them counted, but Judge Bell found the men guilty of attempted ballot stuffing. Sentence was not delivered. There is considerable feeling in the city that the men have been harshly dealt with. Mr. Robinson will take immediate steps to bring the matter before a higher court.

OVER 2 MILLIONS RELIEF GIVEN STRIKING MINERS

To Be Exact, \$2,645,324 Total Contributions to the Workers.

Indianapolis, Jan. 20.—At the convention of the United Mine Workers of America to-day President Mitchell delivered an address, and Secretary Wilson presented his report.

President Mitchell began his address by impressing upon the delegates the interest committed to their care. Of the many important events affecting the interests and welfare of the toilers of the country, he said the anthracite coal strike stood pre-eminent. Vital principles were at stake which, if defeated, would have given to the American labor movement a blow from which it would have required years to recover. After giving a brief history of the great strike, Mr. Mitchell continued: "It would, of course, be improper at this time for me to comment upon the investigations now being conducted by the anthracite Coal Strike Commission, more than to say that its members are eminent men in whose impartiality and justice we have full confidence. First in my opinion of our ability to demonstrate the justice of our claims, I have no fear of the outcome."

Strikes Less Frequent.

"The fact that strikes are becoming less numerous is due to the operation of the joint agreements," he continued. Local and general strikes occur more often in districts where the organizers refuse to recognize the organization, or treat with it as accredited officers. Referring to injunctive, Mr. Mitchell said:

Government by injunction is one of the most harassing and dangerous methods resorted to by stockholders of workmen to destroy labor organizations and to circumvent the constitutional right of trial by jury. The whole system of government by injunction grows from the distrust of the ultra capitalists for democratic institutions. Injunctions are always misleading and generally false. Government by injunction is not only hostile to organized labor, but it is hostile to constitutional liberty. If the American people do not check this arbitrary power it will result in the annihilation of labor unions, and then of all other forms of associations disliked by capitalists."

Secretary Wilson then submitted his report. In the matter of relief funds during the strike, he said the amount donated by the different branches of our organization was \$258,344. The amount received from the members of the United Mine Workers to this amount must be added \$410,984, donated by the trades unions and the public, making a grand total of \$2,645,324.

SIR WILLIAM CHIEF OF TORONTO LIBERALS

Annual Meeting of the Association Held Last Night—McBrady Treasurer by Show of Hands, But Boland Gets It on Votes.

Sir William Mulock was last night chosen president of the Toronto Liberal Association. His name was put in nomination by Hugh Blair, seconded by Controller Burns, and, as foreshadowed, there was no opposition, although there was considerable suppressed dissatisfaction, because two or three members had out and dried the whole affair. The most exciting feature of the meeting was the election of a treasurer. On a show of hands, L. V. McBrady was declared to be elected to 150, W. J. Boland, by a vote of 116 to 109. One gentleman demanded a ballot, and as Sir William was satisfied, the vote was again taken. In order to ensure a fair election, a member demanded that each one entitled to vote should deposit his ballot in a hat on the platform. The ballots were distributed. Some declared he had been given two ballots, and that the man who next to him was equally well supported. But the election was gone on. The result was the election of Mr. Boland by 186 to 116.

Mr. McBrady accepted his defeat gracefully by leaving the hall with a number of friends immediately after the count was announced. He knew what had happened to his hands on the election, and that if a ballot were called for he should not allow his name to be considered. Sir William, however, after he had poured oil on the troubled waters, it was announced that Mr. McBrady consented to try it all over again.

Six Vice-Presidents.

Six vice-presidents were elected, representing the several wards. J. K. Ald. Oliver defeated Thomas Delaney for the representation of Ward One, and T. C. Robinson got the decision over Dan Rose for Ward Three. In Ward Four John J. Power was elected over F. S. Meares. In Ward Five W. B. Rogers defeated George C. Campbell, and in Ward Six James Malloy defeated Dr. Hunter. Frank Slattery was re-elected secretary by acclamation.

The election of officers occupied the greater portion of the evening. As this formality was over, S. P. McKinnon took the platform and moved a resolution expressing satisfaction over the restoration to health of the leader of the Liberal party, Sir Wilfrid Laurier. This resolution was seconded by G. P. Magan.

Congratulate Mr. Ross.

Archibald Campbell, M.P., and Rev. Charles Duff had a resolution that the Liberals of Toronto offer their hearty congratulations to Hon. G. W. Ross, Premier of Ontario, and his ministers, upon the confidence that has been again placed in the Liberal government of Ontario; they desire to note that, this confidence is increasing.

Montreal, Jan. 20.—"From what I saw and heard during my audience with the Hon. J. G. Bourke, Bishop of the Province of Quebec are in perfect community of ideas with the Pope on the matter. It may be said that the Manitoba school question is dead and buried, but I certainly do not believe that the Catholic minority in that province enjoy the same liberties as were accorded to them before the above statement was made to-day by Mr. Bruchet, who returned from Rome, and was speaking to the commission of the Senate on the subject of the school question in good health, and bringing the announcement that Rev. JULIAN RALPH IS DEAD.

Victim of Dropsy with Complications at Age of 50.

New York, Jan. 20.—Julian Ralph, author and war correspondent, died to-night at his residence here. Dr. Calvin S. May, who attended Mr. Ralph, gave the cause of death as dropsy, complicated with ulcer in the stomach and enlargement of the liver. Mr. Ralph was stricken with hemorrhage while he was acting as corresponding correspondent of the British Army during the Boer war. A second hemorrhage occurred at Le Mans, France, late in the war. He had received his appointment as eastern representative at the Louisiana Purchase Exposition, and will extend it probably to Sault Ste Marie.

They intend to equip the road in an up-to-date manner, and to extensively advertise some of the towns along the line, which are already famous for splendid fishing. The country traversed by this railway is undoubtedly a paradise for fishermen.
