WHEL. THE CANADIAN WON.

San Francisco, Fet 20.—No men ever welcomed more heartly the close of a contest than the down remaining contestnats in the intenational six-days' bicycle race at Mechanics' Pavilion on Bunday. It was a loisy but sympathetic crowd that wa assembled. There was plenty of enthisiasm, too, when Miller, at the end & the 127th hour, rode his 2,000th mile n 2:25%, unpaced. At 6:30 o'clock Sundy morning Miller was 14 hours 19 mintes ahead of his New York record. Nwn and Barnaby were repeatedly chared with energy by an electric battery, and came out to exhaust their false itality in a wild sprint. The fight of he last half dozen hours has been betwen Fredericks and Aaronson for second lace. All through Saturday night and Sunday the poor fellows, jaded and orn, with drawn faces and staring yes, circled the track, sometimes at snail's pace and its decision. then again under th influence of inspiriting marches by he band and the urging of friendly loices, the riders would increase theirspeed for a few laps and then drop ack into the old rut. The race was eded at 10:15 last night, 39 minutes and of time. At the end of 143rd hou at 9:54, all the riders retired for a w minutes, and returned long enougonly to make a showing. The final vas: Miller, 2,192 miles; Aaronson, 246; Fredericks, 2,090.2; Hale, 2,062; Gnm, 2,060; Nawn, 2.012.2; Alberts, 1,828. Barnaby, 1,792.7; Pilkington, 1,729; Awson, 1,637.4; Julius, 1,501.4; Ashing, 1,500.8.

About three times a week a howl goes up in 'Frisco for a recall flag, as the starter has a habit of leaving some well-played horse at the post. Geyser, at all the way from 1 to 4 and 8, was left at the post Friday, and that almost precipitated a riot.

BANK ROBBERY AT BLENHEIM

Burglars Blew Out the Side of a Build ing-Are Supposed to Have Got Away With Several Thousand Dollars-Escaped in a Carriage.

Blenheim, Ont., Feb. 20.-The residents of this town were very much excited Friday morning to learn that the bank of J. R. Powell had been entered and robbed.

It is supposed that the robbers were aware that there were several thousand dollars in the safe. After gaining entrance to the bank, they drilled a hole in the safe, but put an overcharge of some explosive in the hole, with the result that the side of the building was blown out. The explosion was heard all over the town, but before any person could reach the scene the robbers had secured the money and boarded a hand-car, on which they rode out about four miles toward Chatham. Then they abardoned the car and escaped in a carriage, which had evidently been left at that point for

ELECTRICITY USED BY ROBBERS. Oberlin, Ohio, Feb. 20.-Burglars got into the vault of the Oberlin Banking Company, Friday morning, and connected the trolley wire of the Cleve-land and Ohio electric road, which runs directly past the bank, to a drill machine to operate on the outside door of the vault. They blew the interior of the vault into a thousand pieces, but no money was secured, as the robbers failed to get into the big safe for lack

"LOOKED OUT"

And a Monkey Wrench Fell and Smashed His Nose.

Detroit, Feb. 20.-Two telephone employes were at work at the corner of Michigan and Warren avenues Saturday afternoon. One of them was at the top of a pole, and the other was standing almost directly beneath.

"Look out!" shouted the man from his perch, as an object took a rapid downward course.

The other man promptly looked up. A monkey wrench, which was the object that was coming down like a shooting star, struck him with terrific force in the face. The injured man was taken to the office of Dr. D. H. O'Donnell, where it was found that his nose was almost severed and the forehead cut through to the skull. The doctor says the man's cap saved him a fracture of the skull. He sewed up the wounds and sent his patient home.

His name is George E. Harrison. The steamer Lake Superior, which has been in quarantine at Halifax with 2,000 Doukhobors, for the past three weeks, sailed yesterday for St. Johns. where her passengers will be landed and dispatched to the west.
