FOR THE FANS.
Vickery, the ex-Toronto pitcher, has signed with Rochester.

At Stratford, in an exhibition game, the Canadian League team of that place defeated the Bain Club, of Woodstock by a score of 8 to 6.

TREACHERY OF MCGINNIS.
Charlie McGinnis, now with Rockford, used to tell how he once managed to hold his position as pitcher in preference to Eddie McGamwell, this year on the roster of the London team. There was a plethora of pitchers on the team and one had to be dropped for financial reasons. The two Macs were room-mates. The night before McGamwell's day of trial McGinnis slept on the former's pitching arm, and rendered it useless for work the next day. McGinnis went in and pitched, and held the job.

POSITIVE STATEMENTS

Made by Responsible Persons Who Have Been Absolutely Cured of

ITCHING PILES

By the Use of the Only Guaranteed Cure of Piles,

Dr. Chase's Ointment.

Mr. F. G. Harding, retired farmer, living at Nilestone, Middlesex county, Ont., writes as follows: "I have been troubled with bleeding and itching piles for four or five years, and suffered intense agony at times. I had tried almost everything, but could get nothing that would give relief. On hearing of Dr. Chase's Ointment I procured a box, and it only required part of it to completely cure me. I am recommending it to all afflicted as I was."

Mr. Thomas Daphin, of Tara, Bruce county, Ont., writes: "I had itching piles for ten or twelve years, and tried everything that I could hear or read of, and found that none of them did me any real good. Mr. Hilburne, the druggist, gave me a sample of Dr. Chase's Ointment, and after the first application I was able to go to bed and sleep. Then I purchased a large box, and it cured me, so that I have not been afflicted since; that is over a year ago."

Mr. A. Hayes, of Brantford, Lambton county, Ont., says: "I have been troubled with blind and bleeding piles for twenty years; tried everything I heard of, and got treatment from best physicians, but nothing did me any good. Sent to New York for medicines, but they did me no good. I was advised to try Dr. Chase's Ointment. I got a box, and used it, and never have been troubled since, and that is three years ago. It has been a great boon to me."

Dr. Chase's Ointment is guaranteed to cure any case of blind, itching, bleeding or protruding piles. At all dealers, of Edmanson, Bates & Co., Toronto.
