PLAYS, PICTURES AND MUSIC

NOTABLE OPERA COMPANY TO BE HERE NEXT WEEK

Will Open Summer Season of Light Opera and Musical Comedy at the Grand.

Toronto is to be entertained for a limited period by one of the most noted singing organizations that have been touring the United States and Canada, the past season, and is just completing a most successful tour—the DeKoven Opera Company. The company will open a summer season of light opera and musical comedy at the Grand Opera House on Monday evening, and during the entire engagement will present all the popular and standard productions at a scale of special summer prices. This is the largest and most expensive company that has ever appeared in Toronto during the summer months, and lovers of high-class musical offerings are assured of a real treat. Among the principals are such well-known artists as Ivy Scott, James Stevens, Herbert Watrous, Corn Tracy, Phil Branson, Ralph Brainerd, Tillie Sallinger, Jeannette Studley, David Andrada, Fred Walker and Edith Stevens. The company is coming here in its entirety, with splendid chorus and special orchestra under the direction of Luigi De Francesco.

THE ROBINS PLAYERS.

For their ninth week, Edward H. Robins and the Robins Players are going to produce the second of the brand new plays, and introduce Miss Edith Tallafiero, New York's most popular ingenue star. The new play is a comedy from the pen of Earle Browne entitled "Annabel Lee." Miss Tallafiero will create the leading role.

How You Can Remove Every Trace of Hair

(Tollit Talks)
A stiff paste made with some powdered delatone and water and spread on a hairy surface about two minutes will, when removed, take every trace of hair with it. The skin should then be washed to free it from the remaining delatone. No harm can result from this treatment, but be sure it is delatone you get, and you will not be disappointed.

STAR.

For a closing week attraction the Stars of Burlesque is probably the best summer show to appear in Toronto. The show is replete with catchy singing and clever dancing, featuring Flossie Everett. The Shrapnel Dodgers in a new comedy, and musical acts are also with the show as an added feature.

REGENT MATINEE.

A special matinee will be given at the Regent Theatre on Saturday morning at 10.30 a.m. sharp especially for the children. That irrepressible comedian, Douglas Fairbanks, starring in "In Again—Out Again," is the feature attraction in one of the best film comedies that has come to the city. In addition to this picture there will be special educational subjects and a Bud Fisher cartoon comedy. General admission will be 10c.

BRICKLAYERS' OFFICERS.

At a meeting of the bricklayers' union in the labor temple last evening, nominations were held for the election of officers. The greatest interest centred around the office of business agent, and it seems as if the present holder of that title, J. Vick, will have a good fight to retain his position, as J. Sullivan, former business agent, is a candidate. Voting will take place next week. J. Bamber was elected financial secretary, W. Thorn recording secretary, and W. G. Genovis, president, all by acclamation.

THREE MEN ARRESTED.

Tony Steroli, 15 Wilkins avenue; Paul Perpendoff and Joe Stofof of 15 Wilkins avenue were arrested last night by Acting Detectives Elliot and Thompson on a charge of robbing and assaulting Earl Stayonoff, 7 Wilkins avenue. It is alleged that the three men fought with Stayonoff, overpowered him and stole \$110 from him.

INJURIES WERE FATAL.

Fatally injured when run over by a number of freight cars at the C.P.R. yards, West Toronto, last Friday night, Fred Bridges, 2006 Dundas street, died at his home last night. Bridges was employed by the company in the car shops, was married, and 35 years of age. The body was removed to the morgue, where an inquest will be held.

Home Rule in India Advocate, Mrs. Besant, Under Restrictions

London, June 19.—The Times' Madras correspondent sends the text of a government order, issued Saturday, forbidding Mrs. Annie Besant, the English theosophical society leader and a worker in the movement for home rule in India, and two male associates named Arundale and Wadia, to participate in any meetings, deliver lectures or publish their writings. The order also puts their correspondence under censorship; they are prohibited from reading in Madras City, and certain areas are prescribed which they must not leave. The cause for the placing of the restrictions is not stated by the correspondent.

Sir Clifford Sifton is in town, and is at the King Edward.

Mr. Logan, vice-president and general manager of the Grand Trunk Railway, arrived in town yesterday morning in his private car, bringing with him Mr. Godfrey Bird and Major Rexford. The graduates nurses gave a garden party and dance at their delightful club in Sherbourne street last night, which was much enjoyed by the very large number present, and in spite of a small thunderstorm they danced on the lovely lawn, as well as in the spacious rooms on the ground floor. There was a short program, and in addition Mr. Ross Robertson (the generous patron of the club) spoke, Mr. Bengough and Mr. Bell-Smith also making short speeches. Supper was served at the small tables on the lawn, and the party was a great success and the scene a very pretty one with the nurses in their summer frocks and hats on the grass, against the shrubs, the shower making everything intensely green and beautiful.

Mrs. Charles is in town from New Orleans and is visiting Mrs. H. H. Suydam.

A patriotic golf match was played yesterday at the Toronto Golf Club, the proceeds being in aid of soldiers' comforts. Miss Ethel Baldwin entertained the players at tea.

The bell was cast at Troy, N.Y. A dedication service is being arranged, at which it is expected the lord bishop of Niagara will preside.

The marriage will take place today very quietly, in the First Avenue Baptist Church, of Miss Violet Matthews to Mr. George Misset.

Fry's

A FATIGUE DUTY

The nurse who is "just ready to drop" will find a wonderful stimulant in FRY'S delicious Cocoa. Of course it feeds every tired muscle—it nourishes bone and nerve—but it really does more. FRY'S possesses in full measure that subtle "spirit of cocoa"—theobromine—which is one of the most beneficial stimulants known. So you see FRY'S is a tonic as well as a nourishing food.

Special Appeal for Children in Institutions and Hospitals.

This is Rose Day! Toronto has already had several visits from this beneficent visitor, yet there are some who are not acquainted with its meaning, which today more than on any former occasion, is pregnant with suggestions for good. Rose Day is the time when a special appeal is made for children in homes and hospitals in the city, and without the assistance which Toronto has given during the last few years, thru its Rose Day, those institutions would have found it very difficult to make both ends meet.

The welfare of the little ones of all lands is more a paramount question now than perhaps it ever was before. Apart from the natural law which at all times commands the best care possible for the babes of a country, there is now a selfish reason for every land conserving to the utmost the children born within its borders. Toronto, however, has never needed that this should be pointed out, and it is only necessary to give an added emphasis to the present great need for financial aid, to make every man, woman and child do their "bit" by putting each can afford into the rose-seller's box in return for the pretty pink rose.

Thirty thousand is the mark aimed at this year. To get this all must do

a little better than in any former year. Still, "a long pull, a strong pull and a pull together," will accomplish the thing needed, and that Toronto will do good work is a foregone conclusion.

CHILDREN COLLECT MAGAZINES.

During the month of June over 1,500 magazines were donated by the pupils of Jesse Ketchum School to the soldiers. On Friday, June 15, thru the kindness of Mrs. Robson of the York Theatre, a patriotic matinee was held by the school, when the sum of \$40 was raised. This is to be spent on wool to be knitted into socks for those ex-pupils of the school who are now at the front. The junior classes

How To Make a Good Hair Tonic At Home

If you have been using hair tonics purchased ready-made at the drug stores you can probably save some money and get a great deal better results by using the following recipe which has been remarkably successful in stopping loss of hair and making new hair grow on bald and thin spots. Anyone can easily make it at home. Simply mix 2 ounces of Lavonia De Compose with 6 ounces of pure Bay Rum and then add one-half drachm of menthol crystals and a little perfume if desired. The preparation should be well shaken and then allowed to stand a few hours before using. All these ingredients can be obtained from any well stocked drug store. In applying be sure to not merely wet the hair, but rub the tonic right into the scalp, as its ability to grow new hair depends entirely upon its nourishment being absorbed by your hair roots. This preparation has been widely used for years and is entirely harmless and will not make the hair greasy or sticky. Ladies should be careful not to apply to face or where hair is not desired. G. L. DISTRIBUTE WHITE FEATHERS

Many eligible young men were yesterday confronted at the corner of Bay and Queen streets by returned soldiers, each one assisted by young ladies, and were decorated with white feathers by the veterans. Some of the victims were let off when they produced their A.R. buttons, and one went free when he stated that he had four brothers at the front and that he himself was the sole support of his widowed mother and five sisters. The soldiers were peacefully supplied with the feathers, and the young eligibles had an embarrassing time for some moments.
