From Sunday World.

Man o' War Again.

Man o' War ran another of his races Saturday afternoon at Saratoga, winning the mile and a quarter all the way, and in fast time. He beat the only horse (Upset) that ever beat him, and horse (Upset) that ever beat him, and that was when they were two-year-oids. And it looks as if Sir Barton may even have to beat Upset, who seems to be coming back into form.

Man o' War equalled the Saratoga track record of 2.01 4-5 for the 1½ miles without being forced.

Man o' War and Sir Barton are both entered for the two-mile benefits. man o war and Sir Barton are both entered for the two-mile handicap, a new stake, at the Belmont fall meeting, against five others of the best distance horses on the American tracks. Sir Barton and Man o' War may yet race together at this present meet at Saratoga. The Rider and Driver of last week hazards the oninion that Sir Barton to hazards the opinion that Sir Barton now at his best and on his form ought beat his younger rival. But he's got to

thousands of political agents in that now, but as he kicked the fire at his country, magistrates, interpreters. The foot and the flames leaped up and showed his face, she read the laughter needed extension to the building at 20

CHAPTER XXV.—Continued.

Mad Ruth was gone again, and Judith stood by the thick door, her heart beating furiously while she waited. It seemed to her eager important the strength was many times waited. It seemed to her eager important the strength was many times her strength, his brutality was unput the strength was alone with her strength.

heart beating furiously while she waited. It seemed to her eager impatience that Ruth would never come back. Then after a long, long time she heard a little scraping sound upon the rock ledge outside, the sound of a quick step. And then, before she heard the snarling, ugly voice which she had heard once and had never forgotten, she knew that this time she had waited too long, that it was not Ruth coming.

One man—and there might be others. She stepped back to her bed, hid the two weapons and waited. She must make no mistakes now.

The door was flung ppen. Outside it was dark, pitch-dark. But evidently the man entering had no fear of being seen. He threw down a bundle of dry fagots, and set fire to them. The falze, leaping up, casting wavering gleams to where Judith stood, showed her plainly the fwisted ugly face of Quinnion, his redrimmed eyes peering at her, filled with evil light.

CHAPTED XXVI.

Was. His strength was many times her strength, his brutality was unbounded. She was alone with him. Bounded. She was alone with him. There was no one to call to, not even Ruth, the mad woman.

She was shaking now, Shaking so She was shaking now, shaking now, same on, his long arms out.

She felt the strength his brutality was unbounded. She was alone with him. She was shaking now, shaking now, shaking now, same on, his long arms out.

She felt the strength his brutality was unbounded. She was alone with him. She was shaking now, shaking now, shaking now, shaking now, same on, his long arms out.

She was shaking now, shaking now, shaking now, same on, his long arms out.

She was shaking now, shaking now, shaking now, same on, his long arms out.

She felt the strength him.

She was shaking now, shaking now, shaking now, shaking now, shaking now, shaking now, same on, his long arms out.

She was shaking now, shaking

her.
"You little beauty," he said, panting. "You little white and pink and brown

beauty!' to be afraid, angered her so that the

a little closer to the things she had hidden among the fir branches.

"Ho." sneered Quinnion, his mood from the first plain enough to read in the glimpses of his face and in the added harshness of his voice. "Timid little fawn, huh? By God, a man would say from the bluff you put up that it was all a dream about findin' you an' the han'some Lee in the cabin together! Stan' off all you damn please: I've come to tame you, you little beauty of the big innocent eyes!"

Not drunk; no, Quinnion was never drunk. But, as he came a step closer,

could but take time to close it! But
