A NATURAL REMEDY. Suited to our Constitutions, and competent to the cure of every curable disease, will be found in WRIGHT'S INDIAN VEGETABLE PILLS. THE NORTH AMERICAN COLLEGE OF HEALTH. THESE extraordinary Pills are composed of plants which grow spontaneously in our own country, and are therefore better adapted to our constitution, than medicines concocted from foreign drugs, however well they may be compounded; and as the INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth, SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that the said medicine cures this disease, it is a NATURAL PRINCIPLE, by cleansing and purifying the body it will manifestly, that if the constitution be not entirely exhausted—a perseverance in their use, will, in every case, be absolutely certain to drive disease of every me from the body. When we wish to restore a swamp or morass to its natural state, we drain it; and we wish to restore to health, we must cleanse it of impurity. The Indian Vegetable Pills will be found one of the best, if not the very best, medicines in the world for purifying the body. GRAND PURIFYING PRINCIPLE. Because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner, and while they every day GIVE EASE AND PLEASURE, disease of every name is radically driven from the body. CAUTION. The citizens of New England are respectfully informed that in consequence of the great popularity which the above named Indian Vegetable Pills have earned by their astonishing cures, a gang of counterfeiters are now industriously engaged in passing off the unsuspicious, a valuable and permanent medicine, under the name of Indian Vegetable Pills. This is to inform the public that all genuine medicine has the name of WRIGHT'S INDIAN VEGETABLE PILLS (Indian Paragard). Of the NORTH AMERICAN COLLEGE OF HEALTH. And also, read the holder of the label, will be found in small type: 'Entered according to Act of Congress in the year 1846, by Wm. Wright, in the Clerk's office of the District Court, of the Eastern District of Pennsylvania.' It will further be observed that the printed directions for using the medicine, which accompany each box, are also enclosed according to Act of Congress, and the same form will be found at the bottom of the first page. The public will also remember, that all who sell the genuine Indian Vegetable Pills are provided with a certificate of Agency, signed by Wm. Wright, WILLIAM WRIGHT, VICE PRESIDENT. Of the North American College of Health, and that pedlars are never in any case allowed to sell the genuine Medicine. All travelling agents will be provided with a certificate of Agency, signed by Wm. Wright; and those who cannot show one will be known as base impostors. Persons in this city and vicinity will also be able to guard against purchasing medicine purporting to be the Indian Vegetable or Purgative Pills, of Apothecaries or Druggists, as they are not allowed to sell any medicine, unless they are provided with a certificate of Agency, signed by Wm. Wright; and those who cannot show one will be known as base impostors. Agents for the sale of the above in Nova Scotia: Halifax, John Whitton Esq.; Amherst, Mr. Arthur Masters; Digby, James Crowly; Kentville, Daniel Moore; Bridgetown, Thomas Spurr, New Brunswick: St. Marys, Mr. Alex. Lock, Head of Petitcodiac, James Beck; Fredericton, C. H. Joutet; Shediac, E. L. Smith; St. Andrews, Thos. Sims; Dorchester, Miss Jane McCarty; St. John, Richard W.
