WEDDINGS

Jennings-Jeffreys.
A wedding of interest to friends took place this morning at 5.30 o'clock at St. Peter's church, when Miss Kathleen Mary Jeffreys, daughter of Mr. and Mrs. John T. Jeffreys, 180 Millidge avenue, became the bride of Arthur P. Jennings, son of Mr. and Mrs. P. L. Jennings, 6 Richmond street. Rev. James Wood, C.S.S.R., officiated. On account of the serious illness of the bride's father, the event took place quietly, only the immediate relatives of the contracting parties being present. Miss Alice Jeffreys, sister of the bride, was bridesmaid, and the groom was supported by his brother, F. X. Jennings. After a brief trip through the province, Mr. and Mrs. Jennings will reside in Millidge avenue. The groom, who is provincial inspector of bridges for St. John county, and his bride, will have the best wishes of many friends for their future happiness.

DEATHS

Herbert Stanley Francis.
After a brief illness of pneumonia the death of Herbert Stanley Francis occurred at his residence in Hampton last night. The news of his sudden death came as a great shock to many friends and sincere sympathy has been extended to the bereaved. He was a son of Mr. Francis of the firm of Francis and Vaughan, shoe merchants in St. John and about one year ago he entered into partnership with Mr. Field and purchased the business of the late W. G. Scovill, merchant in Hampton. Mr. Francis and Mr. Field successfully carried on that business under the firm name of Francis & Field and in Hampton Mr. Francis' death will be sincerely mourned. He is survived by his wife, four brothers

and one sister. C. F. Francis and Sydney Francis of the firm of C. F. Francis, grocers of St. John, are two brothers and the sister is Miss Ella Francis of this city. The funeral will take place from the residence of his sister, 174 Duke street, on Thursday at 2.30 p. m.

Child of Mr. and Mrs. Hedley Smith.
Sympathy will go out to Mr. and Mrs. Hedley Smith of Norton in the recent loss of their infant son, George William. Besides the parents one sister, Vivian, survives.

TIED, NERVOUS MOTHERS.
are the direct cause of much unhappiness in our homes; their condition irritates and wears upon the husband and often ruins a child's disposition. This condition of the mother is often due to some weakness which makes her entirely unfit to perform her household duties and bear the strain upon her nerves that governing children involves. Every woman who finds herself in this condition should remember that statistics prove that 98 out of every 100 women who suffer from female ills are helped by Lydia E. Pinkham's Vegetable Compound, and lose no time in giving it a fair trial.

It is proposed to surround Chicago's sewage-disposal plants with parks and golf courses.

BRIDGE IS HELD BY ST. VINCENT'S

St. Vincent's Alumnae held a large and very successful bridge last evening at their rooms in the St. John the Baptist school on St. James street. Miss Mary Chaisson, president, Miss Madelon Dwyer, secretary, and Miss Vida Waterbury, were the reception committee. There were 28 tables played and more than 100 guests in attendance. The prizes were won by Mrs. F. L. O'Regan, Miss Genevieve Killen and Mrs. Richmond Grannan. Miss Maud Downing sang a solo, which was greatly appreciated. Those who assisted Miss Dwyer and Miss Waterbury, who were the conveners for the evening, were Miss Muriel Corkery, B. C. L., Miss Kathleen Gorman, Miss Mary Kane, Miss Grace Doherty, Miss Rita McDade, Miss Lillian Wallace, Miss Clara McGrath, Miss Jean Corlier, Miss Eva Higgins and Miss Beatrice Mooney.

CHOIR BOYS ENTERTAINED.
About 15 of the boys of St. Mary's choir were entertained last night in a delightful way. Browne, director of music in the city schools and organist of St. John's (Stone) church, gave a talk on the duties and privileges of choir boys. Mr. Browne announced that he would award a prize to the boy of St. Mary's choir who made the most progress during the year. A hearty vote of thanks was extended to Mr. Browne by Arthur Lewis, one of the choir boys.

HOLD A SMOKER.
The members of the Garrison Sergeant's Mess, held a most enjoyable smoker and concert in the club rooms last evening. The programme, which was under the direction of Sergeant Quinn and Salsbery, included selections from the Machine Gun Corps, Pipe band, the club's jazz orchestra, reading and vocal selections by Sergeant Major Simons; vocal selections by P. O. Thompson; reading by Bert Alcorn, Charles Alcorn and George Payne. The concerters are to be continued every Tuesday evening. Sergeant Major William S. Ross, president, was in the chair.

CLUB GIVES CONCERT.
Under the auspices of the Community Club at Glen Falls a splendid concert programme was given last night before a capacity house. It was an old fashioned concert and the performers, some 40 in all, were costumed in the quaint fashions of 10 years ago. The numbers on the programme were all old fashioned melodies and the programme was arranged as those taking part were pupils receiving instruction from a German professor of music. The directors of the programme were Austen Taylor and W. V. Brophy.

DANGEROUS FIRE AVERTED.
What might have been a serious fire was only a trifling affair through the prompt action of those in the neighborhood when a small blaze was discovered in the Fairview Hotel at 6.30 yesterday morning. The fire was between the washroom and the kitchen of the hotel and could easily have gained headway and swept through the entire building but those on hand promptly got the fire under control and there was no need to call for the fire department's aid.

TO ENTERTAIN DELEGATES.
Hon. Dr. and Mrs. W. F. Roberts and the Health Centre Board will entertain the delegates to the Social Service Council convention at tea at the Health Centre this afternoon when the building is to be open for inspection and the clinics will be in operation. The girl who spends one-third of her time at work, has discovered how to have a peach blossom skin.

THEY LEARNED TO HAVE THE PRETTIEST SKINS

Girls in business are as
fresh and lovely at 5 as at 9

EVERY DAY FROM 9 TO 5 in a bustling office—with dust-laden air to fill the tiny pores of her skin, clattering typewriters and responsibilities to bring tired lines of worry. But—look at her at the end of the day, as fresh as a spring flower!

Long ago she adopted the following method as the one way to keep her skin in perfect condition, and it is now used by thousands of women who insist upon the same enchanting skins.

Every night, and after any exposure, the face and neck are cleansed with a liberal application of Pond's Cold Cream. It sinks deep into the pores and removes all impurities. The skin is not only exquisitely clean, but delightfully supple and lustrous.

After cleansing, before powdering, always if you are going out, smooth in a little of Pond's Vanishing Cream as a protection against the inevitable drying and coarsening effects of weather. This preparation gives a clear smooth freshness to the skin, a fineness of texture and an almost pearly tone of exceptional beauty. Moreover the powder goes on evenly and clings for hours.

Learn from these women, and try this method yourself. Buy both creams at any drug or departmental store. The Pond's Extract Company, 146 Brock Avenue, Toronto, Ontario.

Favor Naval Station Built at Capetown

Capetown, South Africa, Jan. 30.—(United Press).—The British Government is being urged to construct a huge trading and naval base at Capetown in place of the projected base of Singapore.

It is pointed out that with the rapid development of Africa, particularly South Africa, Capetown is likely to become one of the most important points of the Empire communication line.

The Cape Times says that construction at Capetown would be cheaper than at Singapore.

WRITES OF TRIP ABROAD.

Frank E. Jones, of this city, who with Charles Gorman and others from St. John sailed from this port two weeks ago on the Canadian Pacific steamship Montcalm, writing to a relative, describes the trip in a very interesting way. The passengers were kept informed of happenings in Canada and elsewhere by means of the wireless press. The St. John delegation were surprised to read in the publication of the wedding of Hon. Dr. J. B. M. Baxter, K. C., M. P. Mr. Jones plans to spend four months abroad, visiting Naples, southern France, Paris and other places.

Spring Forecast From Pictorial Patterns

The little slip-over sports gown rivals the more dignified coat dress, which is still a decided favorite.

THE SPECIAL TOUCHES

Other modish features are a marked front movement of the skirt of a costume, a low waist, and a bodice much bloused at the sides over the hips. And the bouffant type—or, as the French call it, the robe de style—is a smart and girlish type of costume, with its distended skirt and tight, mold-fitting bodice.

The sleeveless frock is still in the fashion picture, but many costumes display the full sleeve, severely tailored or adorned with wide circular frills at the wrists of self fabric or lingerie. Necks of dresses are attractively collared or remain unadorned in round, square or pointed outline. Shirring is one of the newest trimmings applied in bands incrustated into the skirts, sleeves and bodices of dresses, and also as a hem finish on coats.

Added to all the varied style points is the charm of the new Silks, Crepes and wools developed either in printed or plain effects. Another high feature is the ease with which these Spring costumes may be trimly turned out by inexperienced sewers.
